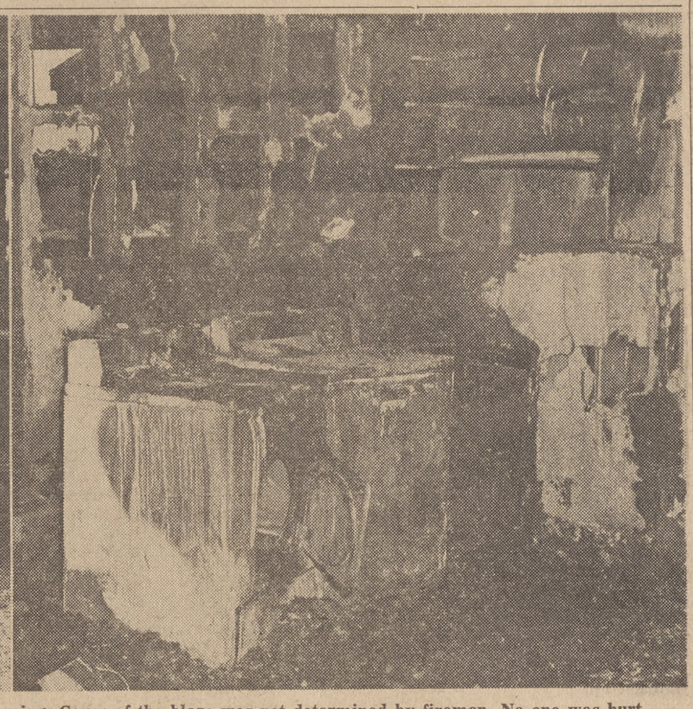
ORINDA SUN

Vol. XVI, No. 21 | CL 4-4343 | Lafayette — Orinda, California — Friday, August 1, 1958 | Ten Cents

Budget Hearings Start by Aug. 20



THIS IS THE WRECKAGE of the six-sided home of Mr. and Mrs. F. A. Stuart at 329 La Espiral Road in Orinda which was destroyed in a $25,000 fire last Friday morning. Cause of the blaze was not determined by firemen. No one was hurt. —Sun photos by Richard Morse

Pine Grove Trees Cut By Concern

Most of the trees in the Pine Grove, a park-like area which Orindans have fought to keep from commercial encroachments, came crashing down last week.

Not only were trees cut on the 10-acre site adjacent to the interchange and owned by the Associated Investment Company, Oakland, but on adjoining Pine Grove School property, said Orinda School District Superintendent Joseph Sheaf.

"WE HAVE asked the district attorney to take action against the company for trespassing," said Sheaf. "He's to report to the board at its meeting Monday night."

"We understand we may have cut a couple of trees too many," explained Edward Martin, a partner in the investment firm.

"I don't know exactly how many trees on school district property were removed, but I believe we had 49, and there are only 23 left," declared Sheaf. "We'll have a surveyor determine where the property line is, and just how many trees we lost.

"THE TREES were gone when I came back from my vacation. It makes me sick. I loved those trees. Why, some of them were 18 inches in diameter. It's really a calamity."

Sheaf pointed out that the owners "had a right to cut down trees on their own property, and I suppose they thought they owned them all."

Actual felling of trees was done by the Bayshore Construction Company.

MARTIN said that the clearing of trees does not mean that his firm has immediate plans for sale or development of the tract.

"The trees would have to come down sooner or later," he explained. "And I'd like to point out that we left a perimeter strip along the sides of the property to keep its Pine Grove identification.

"While we have no immediate plans for development of the property, we're trying to stimulate interest on the part of prospective builders. We have a lot of plans, but no customers yet."

LONG A BELOVED landmark and, in recent years, a center of controversy, the Pine Grove was purchased in 1956 by Pacific Intermountain Express from East Bay Municipal Utility District.

PIE planned to build an office building on the site, but was opposed by the Orinda Association both before the board of supervisors and in the courts.

The express company finally dropped its plans and sold the property. Early this year Douglas Manuel of Orinda proposed an apartment building for the site, but said his plans would not be carried out if the Orinda Association was opposed.

It was opposed, and the apartment house project died.

Acalanes Trustees Award Contract For New School

A $968,500 contract for erection of a new high school in Tice Valley has been let by the Acalanes High School district trustees.

The award for the first units of the new school, which is to be called "Del Valle," went to the James E. Roberts Company of Piedmont. First units comprise about 50 per cent of the complete plant.

Construction is expected to start this month and be completed by next summer.

THE SUCCESSFUL contractor's bid is about $70,000 below the architect's estimate.

Opening of the school is planned for the fall of 1959 with an enrollment of approximately 200 freshmen. A class will be added each year thereafter.

Neil Parsons, district superintendent, said the school is designed to be modern and functional, with a stucco finish and a steel frame.

THE NAME "Del Valle," meaning "of the Valley," was chosen as one in keeping with the Spanish names of the district's other high schools: Acalanes, Las Lomas, and Miramonte.

The Acalanes district plans to purchase a fifth school site in the Rheem-Moraga-Lafayette area.

In other action at a board meeting Monday district trustees:

1. Approved a $22,089 bid by Christner Plumbing of Richmond for irrigation and sprinkler systems at Miramonte High School in Orinda; and a $3,396 bid by William Dahn Company of Concord for removing partitions and enlarging by one-third the Miramonte library, "an economical expansion allowed by the school's basic, flexible design," according to Parsons.

2. **TOOK ACTION** to become a charter unit of the School Study Council being organized by medium-sized school districts in Northern California under the auspices of the Education Department, Stanford University.

3. Prepared to protest the granting of a license to sell beer in a new restaurant being built opposite Las Lomas High School in Walnut Creek.

4. Refused a new request by teachers for reconsideration of a previous decision denying salary adjustments for 1958-59.

5. Elected trustee William Lee, president of the board, and re-elected Mrs. Alice McBride, clerk of the board.

Sheriff Announces New Titles, Command Shifts

New assignments have been announced by Sheriff Harry A. Brown for the sheriff's department.

Effective today, Brown said, the "working title" of lieutenant will apply to command positions, without regard to actual pay designation.

Inspector Ray Stoffels, who unsuccessfully opposed Brown in June 3 primary elections, has been put in charge of the criminal division with the rank of acting lieutenant.

Lt. Robert Fischer was named head of the jail division, with headquarters at the rehabilitation center at Marsh Creek.

Lt. Lee Gallamore will replace Fischer as head of the patrol division.

Gallamore, Fischer, Stoffels, George Burton, chief of the communications division, and Ruth Rathka, civil division chief of administrative services, will all carry the working title of lieutenant, Brown said.

The title will also apply to the director of the animal control division, to be appointed on the basis of civil service examinations.

The jail division, Brown said, is being activated to obtain greater efficiency. Serving under Lt. Fischer are Glen Marsh, chief jailer, and Dennis Morgan.

School Tax Rate May Drop

Despite the highest budget in the history of the Orinda Union School District, taxpayers can look forward to a rate about 5 cents lower than last year's.

Joseph Sheaf, district superintendent, estimated yesterday that the operational rate, in spite of increased enrollment and a new school, will remain at $2.13 per $100 valuation, the same as last year, and that the rate for repayment of state loans will be 11 cents instead of the 16 cents assessed last year.

A hearing on the $1,200,747 budget, $184,793 higher than last year's, will be held at 7:30 p.m. Monday in Pine Grove School.

The largest expenditure listed by the new budget is $807,144 for instruction.

NEW OFFICERS for the Orinda Lions Club include, from left: Mario Albo, director; Larry Sommers, lion tamer; Warren Detloff, director; Gene Brooker, secretary; Robert Gemetti, vice president; Ben Squire, program chairman; Harry Bieterman, director; Jim Lucas, president; Bob Waschmirth, tail twister, and Jack Rectiene, treasurer. —Sun photo by Dave Ogden

Rapid Transit Necessary to Meet Population Growth

John M. Peirce, general manager of the five-county Bay Area Rapid Transit District, said today that the Bay counties never will solve their congestion problems without rapid transit.

Noting that the region now has a population of about 3,500,000, Peirce said:

"JUST CONSIDER the problem for a moment: The experts predict that we will have a 50 per cent increase in population by 1970—just 12 years from now. By 1990, they say, the population will have reached 7,000,000 — more than double the present figure.

"By that time, if automobile ownership continues just at its present level, there will be some 3,500,000 motor vehicles fighting for driving and parking space instead of the 1,300,000 vehicles we have today.

"The prospect is frightening," he declared, "because the vast system of freeways and the vast amounts of parking facilities we already have provided are just barely handling the problem today."

PEIRCE REVIEWED congestion problems and the solution offered by rapid transit in an address before a general membership meeting of the San Francisco Junior Chamber of Commerce at the Marines' Memorial Club in San Francisco. It was his first public address since he assumed leadership of the five-county district on July 14.

"The plain fact is," Peirce declared, "that we will not be able to provide for the free movement of people and goods without rapid transit.

"It simply will be financially and physically impossible to even attempt to cope with our congestion problems by building more and more freeways and facilities for the automobile alone.

"Can any of you even imagine how New York City would cope with its 7,000,000 people without its extensive, even though outdated, system of rapid transit? Can any of you imagine what would happen if all of those 7,000,000 people tried to move about in that great metropolitan area in automobiles?

"CAN ANY OF YOU imagine how we here in the Bay Area will be able to cope with our own circulation problems when our population reaches 7,000,000 in not too many years if we rely solely on the automobile?"

Handling congestion, Peirce said, particularly the morning and evening rush hours can be accomplished only through a joint use of freeways and rapid transit.

Freeways, he explained, will provide for trucks and those workers who must drive their cars, while rapid transit will provide transportation for the great mass of people who simply want to get to and from their jobs in the fastest, most economical way possible.

THE TYPE OF rapid transit proposed for the Bay Area can do the job that freeways cannot do, he said, because rail cars would carry 40,000 passengers per hour at average speeds of 45 miles per hour over entirely private and grade-separated rights - of - way from the centers of residential areas to the centers of business and industry.

Peirce said much work must be done before the rapid transit district will be ready to present a plan for such a system in the form of a bond issue to voters.

Before such a plan is presented, he said, "there must be full public understanding of the wide benefits rapid transit will bring, and of the dire alternatives to be faced without rapid transit. And after understanding must come support.

"Working together," he declared, "we can give to the Bay Area the finest, most modern rapid transit system in the world.

Storm Brings Rain To Orinda

A noisy storm Monday showed Orindans what weather can be like in other places before becoming its usual temperate self again. Cloudy skies for the most part kept temperatures from climbing very high.

Deed Presented

A deed to property acquired from the Orinda Community Church in an exchange for other land has been received by the Orinda Association, according to Art Flint, association president.

Damage by Fire Blamed on Delay

Delay in turning in an alarm was blamed by Fire Chief Everett Wyatt for the fact that so much damage was done last Friday to an Orinda residence.

Damage to the nine-room home of Mr. and Mrs. F. A. Stuart at 329 La Espiral Road was estimated at $25,000.

"We received the call at 8:50 a.m., and made the run in two or three minutes," Wyatt said. "At 9:05 a.m. we had it under control — but it must have been going some time before we were called."

He said that an investigation to determine the caues of the fire, which consumed the top story of the redwood home, was being continued this week.

Credit for discovering the fire was given to the Stuart's youngest child, Craig, who informed the housekeeper, Uradell Christian of Richmond.

Stuart, who is a research chemist, was at work in Richmond, and his wife was at the collection agency she operates in Walnut Creek. The other two Stuart children were at summer school.

The loss was reported to be covered by insurance.

Strike May Hit Local Deliveries

Businessmen of Central Contra Costa County may begin to have difficulty in getting delivery of merchandise if a Teamsters strike continues.

A strike on the Oakland waterfront began Friday when 2,000 pickup and delivery drivers belonging to Teamsters Local 70 left their jobs at 70 plants belonging to the California Trucking Association.

Long line drivers have refused to cross picket lines to move merchandise at Oakland and Alameda piers and at warehouses.

Meanwhile, Martinez Teamsters' Local 315 voted to strike Monday, and the strike threatened to spread to other cities. Membership of the Martinez local, drivers and loaders, is about 250.

Shoppers Look Forward To Lafayette Dollar Days

Bargain hunters will find real values in all Lafayette stores next week when merchants hold their annual price-slashing observance of Lafayette Dollar Days.

"This great annual event has attracted shoppers in the past from all over the county," said Mrs. E. B. Worswick, chairman of the Merchants Division Committee of the Lafayette Chamber of Commerce. "This year we expect it to be more popular than ever before."

EVERY STORE in town is taking part, and prices will be reduced on hundreds of items starting Wednesday, August 6, and continuing for the rest of the week.

Dollar Day signs will appear in the windows of all stores, and they'll feature bargains that will show just how far a dollar can go.

Dollar Days are a just-once-a-year occasion—a joyful occasion for those who'd like to purchase necessities and luxuries—at real savings.

CUSTOMERS WILL be taking advantage of a campaign designed to bring new shoppers to Lafayette. Merchants want to show them how easy it is to shop here.

"They'll come for bargains—and they'll come again when they find out how much service, quality, and variety is obtainable here," said Mrs. Worswick.

Other members of the Merchants Division are Bob Fredman, Orvall Sutton, Marvin Turner, and Bob Kahn.

Realtors To Celebrate New Office Grand Opening

The much-admired office building of the Contra Costa County Real Estate Board, with vastly imporved and enlarged facilities over its predecessor, will officially open on August 9 at 1343 Locust Street, Walnut Creek.

Open house will continue from 10 a.m. to 5 p.m., and the general public will be welcomed, according to Board Executive Secretary Wayne Bailey.

The new building is the result of several year's planning. It will provide facilities not only for the administration of the board business and director's meetings, but also for general meetings of the entire membership.

THE SECOND-FLOOR meeting room has a seating capacity of has the directors' meeting room has the director's meeting room combined with the library, also the reception room and administrative room, supply room, store room, and multipie listing work room.

The designer is Aitken and Collins of Berkeley, and construction was by Lathrop Construction Company.

The total cost of the construction and land purchase is about $100,000. The building has about 5400 square feet of interior space.

Special air conditioning and sound condition has been built into the structure.

BAILEY COMMENTED proudly, "The land was purchased under the presidency of Ben Hamlin; the contract for the buildng was let under the presidency of Nick Carter, and the completion and acceptance was under the presidency of Al Ingalls."

Barney Gilbert was chairman of the building committee. Financing was through Crocker-Anglo Bank.

Invitation to the open house have gone not only to local residents, but also many firms and individuals not in the area, but still interested in the development. Invitations are not necessary, however, and everyone is welcome, Bailey emphasized.

The building, which replaces the old offices at 1607 Locust, will serve about 400 Realtor salesmen and about 115 brokers.

Staff members include Mrs. Adele Bailey, secretary; Mrs. Norma Peckham, bookkeeper, Mrs. Darlene Doolittle, multi-lith operator.

Board officers are Ingalls, president; Bill Hayward, vice president; George Nowak, secretary.

EBMUD's '58-59 Budget Up $6 Millions; Tax Steady

Directors of the East Bay Municipal Utility District last Friday approved a budget of $25,392,098 for the fiscal year 1958-59, but indicated that last year's tax rate of 20 cents per $100 assessed valuation will continue.

The new budget is about $6 millions higher than the previous year's figure of $19,283,879.

It was explained that although the district has the power to levy a 50-cent tax, the actual tax rate had generally declined from that figure since the district's formation in 1923.

THE BUDGET TOTAL includes bond retirement, interest on bonds, capital outlay and operating expenses, according to Bill Bolce, customer relations representative.

A big item in the budget is the initial costs of a new construction program, he added.

Main items under the new budget are as follows:

Transfers to bond interest and redemption fund, bonds due and interest — present bonds, $3,576,000, new bonds, $488,000.

Retirement contributions, $300,000.

SOCIAL SECURITY contributions, $108,000.

Refund on pension agreements, $146,000.

Land purchases, $1,357,000.

Insurance, $192,000.

Purchase of water rights, $4,000,000.

Miscellaneous, $250,000.

Labor, $6,313,258.

PAYMENTS ON construction contracts, $4,185,000.

Material purchases for stock, $2,445,905.

Other expenditures, $2,030,935.

Bolce also said that candidates to fill the two directorships which are open on the expiration of Board President Louis Breuner and Director Harold W. Saunders' terms, must apply by August 31. The terms are for four years, and the remuneration is $20 per board meeting, not to exceed $40 per month.

The other directors are Board Vice President A. C. Carrington of Alameda, William McNevin of Lafayette, and G. Howard Robinson of Oakland. Breuner is from Oakland and Saunders from Lafayette.

AT TWO-YEAR intervals, the terms of two or else three of the directors expire.

Thus far, no filings have been received at the EBMUD Oakland office. The election coincides with the general election on November 4.

It was announced that the new chief engineer of the district is Joseph D. DeCosta of Orinda, who replaces Robert C. Kennedy.

Kennedy resigned to become an engineer consultant.

Death Claims Alfred Serveau

Funeral services for Alfred Serveau, 69, were held Friday in a San Francisco funeral home.

Mr. Serveau, who lived at 3660 Happy Valley Road in Lafayette, died July 23 in French hospital, San Francisco, after a long illness.

His father, Emile, established one of the first florist shops in San Francisco, and the son operated the Serveau shop until his illness.

Mr. Serveau was a past president of the Fillmore Merchants Association and during World War II was vice president of the Florists Telegraph Delivery Association. He was also a past master of LaParfaite Union Lodge of Masons, who conducted funeral services.

His survivors include his wife, Mildred, and a daughter, Muriel Aguirre of Lafayette.

12-Cent Increase In Tax Indicated Despite Big Cuts

In the hands of County Auditor Howard McNamer is the preliminary 1958-59 Contra Costa County budget, which has been through a severe "reducing program", and will be considered in a public hearing before August 30. The tentative budget total is $34,910,427, about $2½ million higher than the previous year.

County Administrator Desmond Teeter, who prepared the original budget and managed to whittle some $818,505 from it even before the supervisors began their studies, said that the new budget will require about a 12 cent increase over last year's tax of $2.07 per $100 assessed valuation.

The resulting $2.19 will be coupled with the county's 10 cent library tax (except in Richmond, which has its own library system) to make a total county tax of $2.29.

THE 12-CENT increase will mean about a $6 raise in taxes for the person with a home assessed at $5000, Teeter said.

The budget this year, is at an all time high. This was also the case last year, when the total was $32,531,645.

The 12 cent increase is expected to bring in an additional $900,000.

Teeter earlier said that the department requests originally totalled $40,312,733. This would have involved a tax increase 73 cents, he said.

HE AND THE supervisors were able to cut $5,402.306 from the budget before the figures went to the auditor for preparation for publishment.

The reductions involved lengthy sessions for about two weeks between supervisors and department heads. Typical results were removal of capital outlay major items in the Health Department, definite cuts also in the Library Department, Public Works, county hospital funds, and Buchanan Field construction.

One of the problems is the need for a big storm repair program, which involves in the long run more than $1 million in expenditures, and the increase in welfare expenditures, which is largely controlled by the state, since the state is a big contributor.

Of interest is the fact that although the total budget is some $34 millions, the county needs to raise only about half of this amount—or to be exact, $16,670,267.

THE BALANCE carried over from the previous year is estimated at $1,545,257.88. Estimated revenue from "other sources" is $16,694,902.

Those two figures are subtracted from the budget total to get the amount which county taxpayers must provide. Of this amount, the "secured roll" will raise $16,087,529.12, and the "unsecured roll" will raise the balance.

The tax if figured from computing what rate is necessary to raise the necessary money on the basis of the assessed valuation. The assessed valuation of the "secured" is $708,965,005, and of the "unsecured", $27,364,360.

The increase in assessed valuation from last year will also mean a big increase in revenue—about $841,000. This and the higher tax will defray the flood repair and welfare added costs.

A PARTIAL BREAKDOWN of the main items in the budget is as follows:

General government—$4,289,702.

Protection to persons and property (including Sheriff's Department)—$2,370,027.

Health and Sanitation—$1,130,038.

Highways and bridges, $6,222,047.

CHARITIES AND corrections (including welfare, county hospital, probation, juvenile hall, deaf and dumb, etc.)—$17,466,999.

Education (including county library, superintendent of schools, county board of education, etc.)—$718,218. The county library figure within the total amount is $600,283.

Recreation—$73,996.

Miscellaneous (including retirement contribution, airport) — $1,586,012.

INTEREST ON county bonds and debt retirement—$665,388.

Unappropriated reserve—$388,000.

Teeter commented that one of the toughest decisions was to cut the county Public Works budget by some $2,800,000. Construction of new roads and rebuilding of old ones will be curtailed, he said. Proposals for new hangers and a new administration building at Buchanan field were deleted entirely.

Suburbia Scribblings

By MARIE MONAHAN

The Worn-out Welcome Mat

Suddenly we count the moments of peace & precious privacy & almost NOTHING to do!

WE'RE RESTING UP between Houseguests! Which can be compared to resting up between Christmas & New Year's. Grab your chances while you can!

As exciting as it is to have guests turn up on the threshold, it's hard to hide that relieved look when you launch them on the next lap of their journeyings. N'est-ce pas?

Especially, if, like us, you've attempted to show "Transients", (5 days or less) the entire gem-like Bay Area that normally takes a lifetime "to do!"

ON OUR No. 1 DAYTIME TOUR to SF w/the New Yorker lady, we'd hoped to point out some special bits of San Franciscana, had even boned up a bit on some of the city's historic lore.

THE WE MADE the mistake of stepping out in front of BLUM'S. And the minute our friend glimpsed its frothy facade, she was instantly reminded of SCHRAFFT'S, the NY chain of tearooms that tempts dieting suburban ladies to pause to refresh when tripping into town.

La Touristas & The Blum's Rush

SO VIVA LA TOURISTA! We stood in the lunch-hour crush. And 30 long minutes later, we lunched on—a huge handsome head of lettuce—festooned here & there w/bits of fruit. Canned. We blew ourselves to a mammoth Sundae. Served in a brandy snifter, lace doily & all, it made our tourist pal feel right at home. Schrafft's does things THAT way, too!

From where we cowered in our corner over coffee, we enjoyed the fashion showing of Fall costumes cutting a swath across the Square. (The bright point of this being that Sacks have been sacked & Paris is shunning the chemise.) The entire luncheon conversation was accentuated w/Ooops, Pardon me's, & So Sorry to a constant parade of passersby, one who jogged our table spilling the coffee onto the table, onto our lap.

BUT THESE NEW YORKERS know their way around. Even in a strange & unfamiliar city. It's that extra sense they use. Like built-in radar. To traverse the subways, the teeming stores.

Hanging on to HER arm, that petite little person maneuvered us in & out of a dozen shops within a few hours and she, who has Fifth Ave. at her fingertips, found SF stores IRRESISTIBLE! She dove w/zeal and ready checkbook into every dept. While we dropped into the nearest chair, glad to cool our pinching toes.

NOW we understood better the workings of the Chambers of Commerce. And reason for same. And why they love La Touristas. Tho' most of what she bought came from where she was going back to . . . or from Scotland. Or Italy. But there's City Sales Tax. And it's good for nat'l economy, world relations!

Try To Be Polite, Please

WE CAUGHT the CABLE CAR for a thrashing ride, but only after five furtive too-polite attempts by this casual Californian. When SHE finally took over, w/that determined NY Commuters look, we hung on for dear life, and half-squashed & hysterical, rocked 'n rolled up up up the Hill.

We whiffed Fisherman's Wharf where we picked up a few shells & starfish souvenirs. Just like all the other tourists.

OVER IRISH COFFEE at the Buena Vista, we blithely sat stamping the menus on which scribbled messages were being mailed to our mutual Gaelic friends in the East. And thinking of HER teenage son we'd left behind for the day, we stuffed our bag w/match folders and menus, SOMETHING we haven't done for YEARS. La Souvenir! To the Top o' the Mark, we shared an elevator (& the scene of a city shrouded in fog) w/a pr. of southern accents, a couple of broad-A Bostonians, an apple-cheeked family office in their tired No-Iron Best and a charming Chinese twosome in dress of the Orient.

We did Chinatown & Fairyland, Marin & the Vineyards. All of the local scenery. Even had ourselves a ride on the Tilden Merry-Go-Round. Pleasurements we ordinarily pass up for days that are too demanding of other things.

But that's the Fun (& Sheer Exhaustion) of entertaining Out-of-Towners. You fall in love all over again w/the wonderful things around you. That you forget about—or take for granted.

THE GRAY LINE Tours we heartily recommend and our guests enjoyed these additional See-For-Alls when we deposited them on the doorstep of the St. Francis. For a Day with The Gray. While we scooted home to plug in the vacuum.

Don't get us wrong. We LOVE company. And the Welcome Mat, slightly worn for wear, is Out Again. The lamp burns bright in the window. But WE'RE heading for bed. TO REST UP FOR THE NEXT ONES!

Feeling Gray? Try Gray?

SPKG .of the Tourist-sitting Bus Company, they inaugurated a new gimmick this wk. & if you missed the item, here it is . . . They've started Tours in SF for Tourists' Kids. They add there is no reason, of course, why the local citizenry can't take advantage of the sitter service by leaving their youngsters at the Gray Line Terminal, 44 Fourth St., SF. (Now you're interested!)

For $4.65, the Gray Line will take a child on a 5-hr. 45-min. bus tour of the city, leaving tourist parents (or just plain parents) the day free to spend in SF stores, restaurants & theaters.

The unique service is designed for visitors, but sounds awfully good to Mothers w/that Old Vacation Blues . . . Tour includes a box lunch. Itineraries vary w/either Kids Tour No. 1, (mainly sightseeing ALL SF) which leaves 10 a.m. Mon., Wed. & Fri. or Kids Tour No. 2 which takes in the Wharf, Balclutha, the Maritime Museum, Fleishhacker Zoo, Lake Merced & Stonestown on Tue. & Thur. (HAPPY SHOPPING, Ladies . . . that's ONE way of doing it!)

SPKG. OF CHILDREN & Summer Colds & Coughs, one of our medics wonders "WHEN will these Mothers wake up to the fact they're raising children & NOT fish! . . . A dip is one thing, but ALL DAY, EVERY day at the pool is TOO MUCH!!"

SUMMER SIGHTEMS . . . The Bud Coburns home tanned & tired from a holiday in Hawaii . . . Blonde Hazel Wilcox, her husband Tom and their Mark & Wendy & Mark didn't miss a thing during a wk's. stay at Dizzyland! Muriel & Wellington Ray roamed to Lake Louise for Skater's Week which their dghtr. enjoyed and the Robert Raskobs are home from Mt. Ranier.

Up & Down from Echo Lake have been the Bert Waynes while their good friends the Al Harmons have shuttled back and forth from Pinecrest, they too, among the parents recently visiting the Piedmont Scout Camp Wallace Alexander where their son is summering along w/some 22 local boys.

The Nels Hambergs & Stan Hunns, Andy Hartanov also among those SEEING the fun & facilities at the same Camp. To Tahoe for the month, the Bill Chaunells, Nick Bauhofers of Laf.

TO ACCOMMODATE THE CROWDS, Dramateur's "CHALK GARDEN" will run again this wknd. at the Laf. Town Hall, tkts. at the door. In the audience last wknd. were Lucretia & Tom Allinson, former Orindans recently returned from the East who have taken a home here in Hidden Valley. He was recently "storied" in TIME mag as a distinguished Young Executive!

ROMANTIC NOTE: For her wedding Aug. 31 to her Deep-in-the-heart-of-Texan, Karen Collings, dghtr. of Paula Reese, has asked Lucy Hupp to be her Maid of Honor.

the Orinda Pixie Shop's Big Summer CLEARANCE is on RIGHT NOW!

Infants, Children's Wear to sizes 6x

On The Lighter Side

by INA BLIESNER • YE 4-3818

Despite chilling breezes a large number of guests attended the party given by the Diablo Junior Museum Alliance recently.

The setting was the lovely A. D. Lindsay home—"Seven Hills Ranch." Strictly Victorian was the decor with refreshments being served under a striking red and white striped pergola. Here and there were round tables covered with bright red satin, which, in turn, were overlaid with white net.

Centerpieces were clusters of red and white carnations. Quaint red velve cushioned chairs with gilt trim completed the scene. Guests wandered around the pool so that they might inspect the many exhibits on display. There were stuffed animals, a lovely butterfly exhibit, tropical birds and such.

There was much fun after

FOLLOWING THE party members and their husbands enjoyed a scrumptious buffet supper served in the Lindsay home. Mrs. Lindsay looked stunning in a white linen sheath. Bev and Bill Anderson were there with all eyes on Bev who wore a new, NEW light blue organdie which featured a harem skirt.

SHE can get away with it!

The Kermit Lincolns and Fred von Guenthners attended as did Joan and Phil Knox, Elsa and Matt Connolley, Cita and Mel Nielsen, Joan and Harmon Howard and Jean and Phil Schiedermayer.

Virginia and Ed Barnett (she is a member) had to miss this good evening for they were picking one of their sons up in the High Sierras where he had been vacationing.

Another missing member was Betty Helmholz who, with her husband, Carl is visiting in Minnesota. Incidentally the Museum's "big end of season day" at the Walnut Creek School Saturday was a tremendous success with interested spectators viewing 160 interesting exhibits.

What a wonderful project this is!

Back from a really "tremendous" trip to Europe are Bernice and Dan Condit, their son, Phil, and friend David Grove.

In Paris they rented a car and from that moment on there wasn't a dull moment. Starting south they first toured the Chateau country along the Loire River. Then on to Toulouse where the countryside was so, SO green and wild flowers glowed everywhere.

Next, to the "old world city"—Carcassone and then east to the Mediterranean where Phil and Dave loved swimming. Quite a bit of time was spent in the old Roman cities of Arle, Avignon and Orange.

On up the Rhone River to Geneva and then to Zermat where they saw the breath-taking Matterhorn. Not satisfied with just a view they traveled up the river to the headwaters and the Rhone glacier situated in the Alps.

NEXT, LIECHENSTEIN which is on the very edge of Switzerland and then to Austria where they especially loved the town of Innsbruck with its wonderful shops. After some time in Salzburg they had one of the most interesting adventures of the entire trip—a tour through the salt mines in Hellein.

They took an overhead tram to the top of the mountain where they donned miner's clothing and then the group (ten to each party) followed—or perhaps groped is a better word—the guide by the light of his one small lantern.

At one time during this part of the tour, they crossed over into Germany—underground, of course.

Then came the SLIDES.

With hand railings to grasp, each person wound his legs about the person's waist in front of him and off they went. Bernice said that just when she would think she just COULDN'T stand another minute they would come to the bottom of that slide and then get on another.

Five in all!

Such a gorgeous bride!

Petite Ann Cardwell and handsome Bill Rusk were married Saturday in a lovely ceremony followed by a reception at the Walnut Creek Presbyterian Church.

Monica Langridge and Dean Roots were Ann's attendants and looked simply beautiful in their turquoise chiffon, draped creations.

Ann's white lace gown had a VERY bouffant skirt and atop her head perched a tiny crown from which flared a short veil.

Mrs. M. F. Cardwell wore the smartest beige, eyelet-embroidered sheath over which she wore a sheer organza duster.

Mrs. Bill Rusk, Sr. was a dream in all silver-blue. The night before, the senior Rusks entertained with dinner following the rehearsal. The guests dined in the Colonial Room at the Claremont Hotel.

There were sixteen present.

Ann and Bill's honeymoon plans had to be altered for Bill is with the Marines at Camp Pendleton and his leave was cancelled due to world conditions so they had to settle for a week-end in Carmel and then headed for their brand new apartment near the base.

Youth Shot In Brawl

The sheriff's office plans to file charges of making a false report against three young Richmond men involved Friday in a roadside brawl in which a gun, a broken bottle, a battery cable and can openers were used as weapons.

A fourth Richmond man, Kenneth Holloman, 23, was held in the county jail for investigation of assault with a deadly weapon.

HOSPITALIZED in San Pablo was Clifton Chase, 21, who received a bullet wound in the right calf.

He and two companions, Larry B. Davidson, 18, and LeRoy C. Rudd, 20, at first told sheriff's deputies that Chase was shot when they stopped their car to check on motor trouble, and a second car stopped and its occupants started a fight.

BUT SHERIFF'S officers said investigation showed that what really happened was as follows:

Harold Grantham, 18; John G. Butts, 23, and Holloman were parked on Bear Creek Road near Alhambra Valley Road northeast of Orinda with three girls, drinking beer.

Chase, Davidson and Rudd stopped, and after words were exchanged a free-for-all fight started, in which Grantham didn't take part.

Lightning Hits Spencer Home

Reported struck by lightning during the thunder storm Monday morning was the home of Guy Spencer, former chief of the Central Fire Protection District.

The bolt struck the television antenna of the house, located at 1932 Buena Vista Avenue, Walnut Creek.

Investigation was conducted by Central District men and Walnut Creek police officers.

Residents of the area were surprised Monday morning by the heavy clouds, thunder and lightning, which could be seen dancing towards Mt. Diablo.

Family Swimming Membership Set

For a $20 Family Plan membership the entire family may swim any number of times during a nine month period starting September 1, 1958, and ending June 1, 1959.

Because there are a limited number available only Pleasant Hill residents will be able to register until today. After today non-residents may register until openings are filled.

With this program it is planned to have the pool open and heated every weekend for at least a three hour period on Saturdays and Sundays for the entire period.

Applications are available at the Pleasant Hill Recreation District, 147 Gregory Lane, Pleasant Hill.

Rabies Fear Is Spread by Skunk

A warning to owners of dogs urging that they be vaccinated to proteet them from rabies was issued following the discovery of a rabid skunk this week in the Nortonville area, south of Pittsburg.

The warning was issued by Dr. H. L. Blum, county health officer, who pointed out that the disease can be transmitted to pets and carried by them to human beings.

It was the fourth rabid skunk found in the county this year. The other three were discovered near Alamo, Mt. Diablo foothills, Franklin Canyon near Martinez and the Lakewood area of Walnut Creek.

The disease apparently exists among wild life in widely separated parts of the county, Dr. Blum pointed out.

Letter to The Editor

CONGRATULATIONS

DEAR EDITOR:

Congratulations again on being the national winner for "Newspaper Promotion and Community Relations".

The high quality, all around good coverage you provide this area makes a fine contribution toward binding together the interests of Diablo Valley.

Keep up the good work.

Sincerely,

BRUCE COPELAND

Boy Prowler Shot; Baby Scares Mom

A 15 year-old boy, accused of being a peeping-tom, is being treated for shotgun wounds of the arm and posterior, after he was told to halt, Wednesday night, by Mrs. Peter Confer of 2687 Cherry Lane, Walnut Creek.

Mrs. Confer told Sheriff's deputies that she observed the boy prowling outside her window, and called out for him to halt before firing.

He was taken to the Concord Community Hospital, where he is reported to be in good condition, although spending most of his time lying on his stomach, deputies said.

Another incident almost led to shooting early Monday morning.

Mrs. H. L. Larsen of 2201 San Miguel, called police and stated that while taking a shower she glanced out of the window, and saw a man jiggling the window shade from within in the baby's bedroom. The two windows faced towards each other.

When the police officers arrived, Mrs. Larsen had her .22 pistol trained on the bedroom door.

The officer cautiously entered the bedroom and discovered the child standing in his crib, playing with the window shade.

When you shop at home you boost your own community. And the place you live is pretty important to your family. Besides, it costs less. Try it!

Sanitation Week Spotlights Health Department Work

National Sanitation Week was proclaimed this week by the Contra Costa County Board of Supervisors to emphasize the accomplishments of sanitarians in protecting residents' health and safety.

Diseases which have disappeared from the active list of public health menaces include typhoid fever, bubonic plague, "summer" diarrhea, yellow fever, and malaria.

Considered unavoidable risks fifty years ago, they have become so rare that doctors seldom, if ever, see an active case.

THESE DISEASES disappeared largely as a result of the sanitation work of health departments throughout the country, according to Contra Costa County health authorities.

Contra Costa County has been faced not only with the problems of a rapidly growing population, but also with the parallel problem of rapid technological development.

Air pollution, radiation hazards, home safety, and housing development all require the learning of new techniques, new knowledges and new approaches to enable the sanitarian to provide the "maximum service."

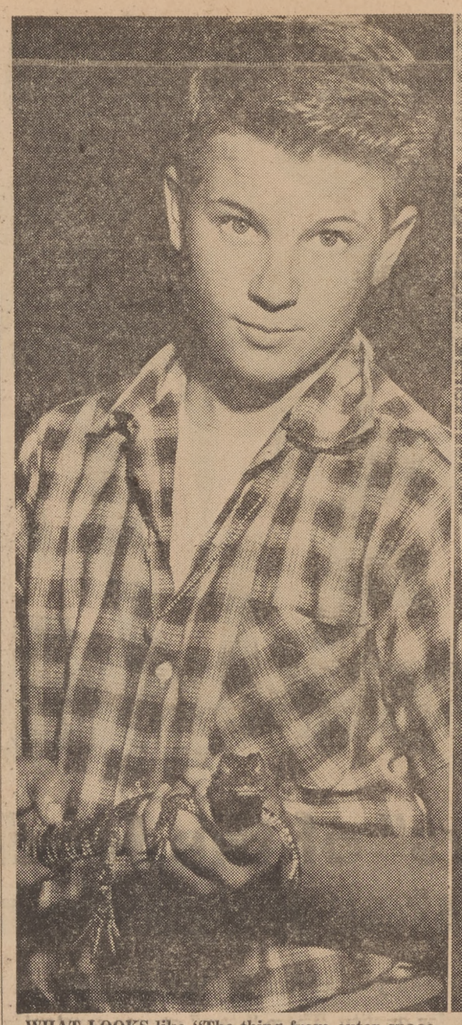
The new Contra Costa County food ordinance brought all establishments that handle food under a permit system when adopted by the County Board of Supervisors.

All unincorpprated areas and, with two exceptions, all cities are now under this new ordinance.

THE FOOD ordinance standardized requirements and inspection procedures throughout the county.

This ordinance has made possible more frequent inspections with the result that the public can be secure in the knowledge that the food they eat has been stored, prepared and served in a safe and sanitary manner.

In the last session of the State Legislature the inspectional services of the State Division of Housing were dropped on all types of housing except labor camps. The additional burden of routine inspections of hotels, motels, trailer parks, and apartment houses has become the sole responsibility of county health departments.



WHAT LOOKS like "The thing from outer space, pocket size," is held confidently by Roger Stark, during the Diablo Junior Museum's annual Science Fair, held last Saturday at Walnut Creek School.

CUTE LITTLE FELLOW, isn't he? says Tom Steller, as he holds firmly onto his guinea pig, "Chee, Chee," entered in the Science Fair. Awards went to many entries in many categories during the Fair. Judging was based on condition of the animal.

MR. SNAKE poses no problem for these young people, who have enjoyed the nature studies conducted by the Junior Museum. They are Suzanne Toaspern and Scott Bradley. The Science Fair was the "finale" to several weeks of classes. Hundreds of boys and girls took part, and judging at the Fair took into consideration the participant's age. →Sun photos by Richard Morse.

Doyle Talks About Space Age and State Discussion

By DONALD D. DOYLE
Assemblyman

The space age is rapidly changing the whole direction of our national and state economy. Maintaining a healthy and increasing standard of living for our constantly growing millions of Californians is a prime responsibility of your legislators.

They must plan today, and lay sound foundations for tomorrow, so that no opportunity to take full advantage of the technological and economic developments of the space era is lost to our state.

Legislative leaders have suggested that creation of the first "International Space Age Exposition," and establishment of the first "Space Age Museum" might be two great steps in putting our state out in front in space age science and development.

TWO INTERIM committees, the Senate fact-finding committee on commerce and economic development and the Assembly committee on industrial relations, have teamed together to make surveys of the feasibility of both these suggestions.

A Citizens Advisory Council has been set up to collect the necessary financial and other data. Headed by a nationally known leader in an important space age industry, the council will enlist the help and support of leaders in every field of science, industry, and civic activity concerned with preparation for the ultimate space age.

Recently the two interim groups held a combined meeting for preliminary discussions of the proposals for the space age exposition and museum.

So much interest was displayed that the groups are now planning a series of public hearings in several parts of the state.

AT THEIR MEETING, the committees were informed that the space age is advancing much more rapidly than any other economic, industrial or cultural revolution in human history. As one witness put it, "if the 30,000 years of known history could be crowded into one year, almost 98 per cent of our technoligical progress would take place in the last two days of the year."

Advocates of the exposition declared that most developments of the space age will result from the work of the scientists, industrialists and technicians who are the school children of today. For that reason they believe the emphasis on any space exposition should be on the education of today's boys and girls.

They listed seven good reasons why it would pay the state of California to sponsor a space age exposition, highlighting the facts that it would promote the establishment of thousands of new businesses and industries to serve the interplanetary age, and would create thousands of new jobs for skilled California workers. International participation would be world-wide.

Supporters of the space age museum claim that this project possesses even greater long range potential than the exposition itself. It would be likely to gain immediate public attention and support, and would be a valuable educational tool. The possibility of federal operation of the museum was also raised.

THE GROUPS were informed that it might take three years to plan and build the space exposition, but that it could be run for four or five years, and would attract 50 million visitors from all over the world.

It was suggested that it might be moved from city to city in the state, and that some exhibits could be shown in smaller communities, so that every child could visit them.

The space age has certainly come to California. It looks as though your legislators want to expose everybody to it—the right and safe way.

County Fair in Antioch to Run Through Sunday

The Contra Costa County annual fair began yesterday at the Antioch fairgrounds, and will continue through Sunday.

Many programs are planned for the young people, and premiums totaling $37,675 will be offered to exhibit winners in livestock, home economics, floriculture, agriculture, junior fair and horticulture.

Norman Sundborg, fair secretary manager, has predicted that attendance will exceed 40,000. Last year's figure was 32,000.

Junior Legion District Crown Won by El Cerrito

By ERWIN MATTSON

The El Cerrito and Walnut Creek clubs tied for the championship of the ninth district in Junior Legion ball when they wound up with identical 12-4 wins.

In the playoff game held at Concord Monday the El Cerrito team came from behind to win, 3-2. Trailing, 2-1, in the eighth, El Cerrito scored a pair to take over the lead and go on to win.

THE RUNS CAME when Bob Adcock, leadoff man, reached first on an infield error and was advanced by Gene Tanka's sacrifice. Tony Santerelli hit a double down the left field line to score Adcock. Joe Buell followed with a single to center, sending Santerelli to third from where he scored when Steve Carpenter's grounder was booted.

That gave El Cerrito a 3-2 lead, and that's the way it ended. El Cerrito's southpaw, John Flavin, kept Walnut Creek in check the rest of the way.

Walnut Creek had taken a 2-0 lead in the third frame when Bill Locatelli singled, went to second on Larry Drummond's sacrifice, stole third, and wound up with a run by pilfering home.

BOB McDOUGALL drew a base on balls, went to second when Locatelli tallied on Terry Sieberling's double.

Flavin, who took the mound for El Cerrito in the fifth, struck out 11 of 14 batters, threw out two, and caught a pop fly. Dan Hopkins, who went the distance for Walnut Creek, was the victim of three errors which kept him from a shutout.

El Cerrito was scheduled to play Redwood City in a playoff game last Tuesday, with elimination games going on down the line for state and national finals.

Richmond lost two of three games in ninth district play. They racked Rodeo 16-0 Friday, but De Anza measured the Oilers 4-0 Saturday and Harry Ells trimmed them 12-4 on Sunday and they dropped to third place.

EL CERRITO reached the tie with Walnut Creek by beating Lafayette 9-5 Saturday and Concord 10-4 Sunday. Concord was ahead 6-4 in the fifth in Saturday's game with Harry Ells, but Ells won, 12-8.

Walnut Creek played early in the week, being beaten by De Anza, 8-1.

The postponed Lafayette-Concord game will be played at 2 p.m. Sunday at the Concord Municipal Park.

UBAC Decides $11,750,000 Is Needed in '58 Drive

The United Bay Area Crusade will aim at a record $11,750,000 goal in its fall campaign—the West's largest annual community fund drive.

The goal, a 14 per cent increase over what the Crusade raised last year, was adopted unanimously by the organization's 300 member Board of Governors, meeting in the Commercial Club in San Francisco.

The Board represents the five counties — Contra Costa, San Francisco, Alameda, San Mateo and Marin—which are served by the Crusade's more than 250 youth, health and welfare agencies.

"THE FULL subscription of this goal is important as life blood to the agencies," Crusade Board Chairman Samuel B. Stewart of San Francisco said at the meeting.

Making the goal is important to "the continued existence of the united way of giving and to the morale and reputation of our Bay Area community," he added.

Last year's campaign reached $10,330,000—just 88 per cent of its goal. The campaign community, which must raise the funds, and the allocations community, which studies agencies' budgetary needs agreed on this years $11-and-¾ million figure before Wednesday's meeting.

"The goal includes about $1,125,000 more than we are providing our agencies this year," said Allocations Committee Chairman Robert Kahn of Lafayette.

"THIS IS NECESSARY to keep agencies from falling behind for their allocations from last year's campaign did not provide any funds for expansion to meet increasing public requests for service.

"In fact, many of the agencies had expenses that were met from their limited capital funds. With the increased demands because of growing population and economic conditions, the additional funds in this goal will just allow the agencies to provide their current level of service."

More than 250 health, welfare and recreation agencies will derive varying portions of their 1959 budgets from the campaign which begins in late September.

The agencies are community child care and family counseling services, youth programs, services for the sick, aged and handicapped, as well as Red Cross chapters, Salvation Army units, USO, and local units of national health foundations.

THE BOARD approved nominations of four new members to fill vacancies on the board. They are Ed J. J. McKeegan, of Richmond, representing Contra Costa County; Dr. Albert Voris, Belmont, representing San Mateo County; Andrew J. McLaughlin and Robert H. Steele, representing San Francisco. Voris, McKeegan and McLaughlin were appointed to the executive committee, and Steele was elected as assistant treasurer.

In Contra Costa there are 55 agencies. These are Arthritis and Rheumatism Foundation; United Cerebral Palsy Association; U.S.O;. American Red Cross; Community Chest of West Contra Costa; Boys Clubs of El Cerrito, Richmond, San Pablo, Martinez and Pittsburg; Camp Fire Girls; Catholic Social Service; Community Welfare Council; Crockett Playground; Girl Scout Councils; Guidance for Retarded Children.

Others are Herrick Memorial Hospital Clinics; Jewish Community Center of Richmond; North Richmond Neighborhood House; Salvation Army; YMCA; YWCA; Urban League.

Last Rites Held For Ackerman

Funeral services were held Monday for Donald L. Ackerman, 21, a Lafayette creamery salesman who lived at 9776 Hawthorne drive.

His survivors include his wife, Sanda Ann; his parents, Mr. and Mrs. C. L. Ackerman of Lafayette, and a sister, Judith, also of Lafayette.

Mr. Ackerman died Thursday.

Students Hurt In Car Accident

Two summer students at Pleasant Hill High School were injured in a three-car accident Friday morning at the school entrance.

Injured were Kurt Lundblad, 16, of 22 Van Tassel, Orinda, and Kathy Stafford, 15, of 3 Crane Court, Orinda. They were treated at Kaiser Hospital in Walnut Creek, and Lundblad was later transferred to an Oakland hospital.

Swim, Diving Exhibition Is Tomorrow

Parents and friends have been invited to the third annual City of Walnut Creek Swimming and Diving exhibition to be held at the Las Lomas Pool tomorrow from 10 a.m. to 12 noon.

Members of the classes sponsored by the Walnut Creek Recreation Department will demonstrate their skill.

Mrs. Jane Fauntze Manske, former Olympic diving champion and diving instructor for the Recreation Department will present boys and girls from her classes in an exhibition of diving at 10 a.m.

Trophies will be awarded to those boys and girls who have shown the most progress in diving techniques in the three classifications of beginner, intermediate and advanced.

At 12 noon the Sixth Informal Swim Meet will be held at the pool under the direction of Ed Leach, Art Delaray and Rick Ostrom.

Girls and boys representing the Walnut Creek, Pleasant Hill and Lafayette area will be competing for highest points. Those with the most number of points for the season will receive trophies.

The swimming and diving exhibition is open to the public and there is no admission charge.

Applications For Vets Home Are Being Taken

Wartime veterans who have resided in California for at least 10 years may be admitted as domiciliary patients almost immediately Veterans Service Officer W. R. Smaker reported today.

Legally eligible veterans who are suffering from a disability, disease or defect which will incapacitate them from earning a living for a prospective period, thereby indicating a need for domiciliary care, can be considered for immediate admission to the Veterans Home.

Such is not the case, Smaker said for those veterans desiring admission to the Veterans Home as a hospital or intermediate (long term care) type of patient.

At the present time there is a waiting list for men in both of these categories with 110 on the hospital waiting list and 160 awaiting admission for intermediate care.

The waiting list include four veterans from Contra Costa County for hospital care and four veterans for intermediate care.

Soltettes Represented At Long Beach

Judy Laity of Lafayette and Nancy Stephens of Walnut Creek, members of the Soltettes, placed fourth with their "duet" in the Western Synchronized Swimming Championships, held recently in Long Beach.

Miss Stephens also placed fourth with her solo. Their coach is Sue Gardner.

The Soltettes will be represented at the synchronized swimming meet to be held in Modesto, Monday.

St. Isidore 'Exchange' is One Year Old

This month marks the first anniversary for the Clothing Exchange in Danville under the management of the Mothers Club of St. Isidore's Church.

This project was undertaken when Mrs. Clifford Hutchinson was president and it had the blessing of the late Rev. Henry Plunkett, then pastor at St. Isidore's.

President Mrs. James Riley has appointed Mrs. Pat Selak as chairman of the Exchange for the coming year. Her board consists of Mesdames Carroll Walter, Alfred Field, Frank Lehre, Clifford Hutchinson, Arthur Peloquin and Stanley Murphy.

All members of the Mothers Club with free time are asked to work once each month.

This has proved to be a profitable project for the club and a Hi-fi set has already been given to the new Parish Hall. A movie projector and a piano will soon be purchased for the hall also.

To celebrate their anniversary the Exchange is having a special sale.

Youth for Christ Group to Hear Hobbs Family

The regular monthly rally of Walnut Creek Youth for Christ will be held tonight at 7:30 in the Recreational Center, Walnut Creek.

Jerry Jensen, the director of Walnut Creek Youth for Christ, has announced that the famous Hobbs Family will be featured at this rally.

The Hobbs Family is composed of musicians and singers and have entertained in some of the largest churches and Youth for Christ rallies across this nation.

Each member is individually talented either by singing, playing instruments, or both.

The all-teenage Youth for Christ Choir will sing a special number under the direction of Dick Hamilton, the choir director.

The Youth for Christ Club from Pittsburg High School will be host at this rally and also will be featured during Teen Time.

Transit District Suit Date Moved By Marin Courts

The suit of Contra Costa County taxpayers versus the Alameda Contra Costa Transit District (ACT) has been moved up from September 16 to August 12, according to the Marin County Clerk's Office.

Robert E. Nesbit, secretary-attorney of the district requested the date change to enable action on a proposed bond issue for purchase of Key System facilities before September 5, the deadline for getting on the November general election ballot.

THE REQUEST was granted to the district by Superior Court Judge Charles Burstatori of San Rafael, where the trial will be heard.

The cities of Richmond and San Pablo and unincorporated areas of the Contra Costa County seek to be excluded from the district.

THE CITIES and the unincorporated claim that the counting of absentee ballots was not performed according to law following the general election in November of 1956 when the district was formed.

The Attorney General did not permit Contra Costa taxpayers to contest the validity of the district in the courts, but opined that the district's boundaries should be settled in the courts.

Masseur Opens Orinda Offices

Bertha Gunderson, a graduate of the Oregon Institute of Massage and Physical Therapy, will open offices tomorrow in Suite 4, 61 Moraga Highway, at the Orinda crossroads.

Formerly employed in hospitals and rehabilitation centers, she was recently in charge of massage and slenderizing at a local beauty salon.

Also establishing headquarters in the same suite will be William V. Morgan, D.D., specializing in counseling on problems due to tension.

Youngster Holds Birthday Party

Patricia Ann Gardner of 670 Jennie Court, Lafayette, celebrated her fifth birthday July 23 by entertaining a group of her friends with a patio luncheon.

After the entertainment and refreshments, she opened the many lovely gifts.

Those present were Josephine Conway, Cathy Conway, Ellen Harter, Wocka Harter, Mike Whisnant, Rauel Boonos, Mark Stefan, Thomas Gardner and Cynthia Gardner.

Orindans Return From East Coast

Mr. and Mrs. James I. Thomas-Stahle, 223 Orchard Road, and their children, Sharon and Preston, have returned from an eastern trip during which they visited Dr. and Mrs. Linton Caldwell, former Orinda residents, in Bloomington, Ind.

They also saw Col. and Mrs. Charles Thomas-Stahle in State College, Pa., and friends in Lansing, Mich. On their return trip they came through the Canadian Rockies and stopped at Banff and Lake Louise.

Girl Scouts Meet Black Bear at Camp

Leaders say it will be a long time before the 19 Girl Scouts of Troop 118, Walnut Creek, forget the fun they experienced at Yosemite last week.

The girls and their four counselors chartered a bus to the park, and spent a week camping out on the valley "floor." For some it was the first experience at real camping. Working in patrols, the girls had turns at preparing meals and planning campfire programs.

The Troop's roomy campsite, in the section reserved for organizations, bordered the Tenaya River, a branch of the Merced.

SWIMMING was enjoyed every day in spite of the cold water, and "riding the rapids" on air mattresses proved to be a favorite sport. Hiking, bicycling, and horseback riding along mountain trails were also included in the troop's activities.

A highlight of the week was the early morning visit to their larder by a small black bear. One of the braver of the counselors leapt from her sleeping bag, grabbed a large cedar branch lying near by, and frightened the bear away.

Deer, squirrels, and bluejays were also frequent visitors to the Scouts' campsite.

A court of awards, held the last evening in camp, climaxed the year's scouting efforts with the awarding of First Class badges, plus all of the individual badges earned by the girls since May.

THIS IS THE fifth year of scouting for Troop 118, which started as a Brownie group with most of the same girls.

Scouts attending the Yosemite camp were Nora Banwell, Lonna Barker, Judy Greene, Janice Hoover, Dale Kalberg, Janet Long, Lianne Lewis, Gretchen Merten, Polly Nelson, Marilyn Ream, Nancy Runzo, Linda Sampietro, Barbara Stanger, Sally Stikkers, Gerry Weil, Sue Wharton, Phyllis Winchester, Judy Wolverton, and Denise Young.

The Troop was accompanied by its leaders, Mrs. Dean Wharton and Mrs. Richard Banwell.

PUC Refuses Greyhound Bus Line Switch Request

Western Greyhound, Inc., will continue to provide bus service linking Berkeley, Orinda and Lafayette by morning and evening trips.

The State Public Utilities Commission has refused a proposal that the service be provided instead by Eastshore Lines, a subsidiary of Sequoia Stages.

The PUC based a refusal of the transfer on the fact that Greyhound declined to provide standby service for a five-year period if Eastshore should prove unable to handle the service financially.

At the same time, the commission refused Greyhound's application to abandon the service.

Prize Awarded To Ann Rapport

Among recipients of scholarship prizes for the 1957-58 academic year at the University of California, Berkeley, was Ann Rapport, 37 Don Gabriel Way, Orinda, who received a $50 Kraft prize.

She is a freshman in letters and science. Awards were announced by David Rynin, chairman of the committee on prizes.

Stanford Honors Go To Orindans

Two undergraduates from Orinda are included on the honor list at Stanford for their 1957-58 academic records.

They are Conrad Smedley Ambler, son of Mr. and Mrs. L. B. Ambler, and Marjorie Carol Fish, daughter of Mr. and Mrs. Charles M. Fish.

G. S. Williamson Family to Leave

The transfer of G. S. Williamson, plant manager of Shell Chemical's Shell Point plant, near Pittsburg, California, has been announced by C. W. Humphreys, vice president in charge of manufacturing.

Mr. Williamson's new position will take him to the company's Southern California synthetic rubber plant at Torrance. This is Shell Chemical's second largest manufacturing installation. Williamson will be replaced by F. G. Watson of New York.

The Williamsons are residents of Lafayette. They have two sons, David, 18, a recent graduate of Acalanes High School, and Neal, 14, who will enter high school this fall.

To Enter Stanford

Susan Flint, daughter of Mr. and Mrs. Art Flint of Orinda, will enter Stanford University this Fall. She is a recent graduate of Acalanes High School.

Danville's HayDays Are Sept. 4 to 7

The first annual Danville "HayDays" Centennial will be held September 4-7 on the grounds of the Charlotte Wood School. All buildings and decorations will depict the 1858 era.

An aquacade with many noted swimmers, including a former Olympic champion, will be featured.

A carnival will be presented by the Golden Gate Coast Shows.

Other events include a pet parade, barbecue, street dancing, horsemen's show, queen contest, whiskerino contest, kangaroo court and fashion show with attractive booths to attract all ages.

Fred Wilkins is general chairman. He will be assisted by the following chairmen: Dr. Tom Ohlson, president of Chamber of Commerce; Ray McCoy, Lions parade chairman; Don McNeilly, Rotary, decorations; Mrs. Carl Bayley, Mount Diablo Business and Professional Women's Club, publicity.

Vance Perry, carnival chairman; Mrs. Edgar Manske, aquacade chairman; William Hockins, fashion show chairman; Dr. Carl Fiedler, Danville Grange, barbecue chairman.

J. Ward Shannon, Kiwanis, operation chairman; Walter Xavier, ground chairman; Mel Whalin, finance chairman; Jack Weightman and Ken Plinflippen, queen contest chairman, and Ed Azarian, concession chairman.

Two-County District Challenged

Within two weeks, petitions will be filed in an effort to exclude northern Contra Costa County from the Alameda-Contra Costa Transit District.

Persons favoring exclusion have said that they will not benefit from the district, and if included will have to help pay for a multi-million dollar bond issue to go before the voters in November.

The Contra Costa Transit Council is leading the opposition forces. Chairman is Judge Louis Edmunds of the Rodeo-Pinole-Hercules Judicial District.

THE COUNCIL secretary, Harry Morrison, Jr., said that the petitions will have about 2000 signatures, affixed by property owners who represent more than 51 per cent of the assessed valuation in the area.

The area includes John Swett Union High School District, Alhambra Union High School District and the old Avon School District, now a part of the Mt. Diablo Unified School District.

Martinez, Hercules and Pinole are not a part of the two-county district, since their voters rejected the proposal in 1956.

IF THE petitions do contain 51 per cent of the assessed valuation of the described area, a public hearing will be held. The transit district directors have the power to decide yes or no.

Lamber Is Head Of Meadwbrook

Arthur Lambert has been re-elected president of Meadowbrook Golf Club, Lafayette, it was announced by Fred Guarneri, publicity chairman.

Other new officers:

Tom Montague, first vice president and men's golf chairman; Bill Whitnell, second vice president and membership chairman; Al McBride, secretary, and Jim Clark, treasurer. The board of directors includes Arthur Lambert, James DeKorne, Robert Boone, Hiliary Turner and William Zufall.

Betty Taylor has been named chairman of women's golfing activities.

Boy Takes Long Ride to Grandma

A guest at the home of Mrs. Sigrid Webber, 3621 Brook Street, this week has been Dan Davis, 17, a former Walnut Creek resident who decided to visit his grandmother.

Dan, who now lives in Seattle, made the 900-mile trip here in nine days on a second-hand bicycle. The bike cost $20, and for food he carried a few cans of Army A-rations.

Once in a while he stopped for a hamburger, he said—and the whole trip cost him a total of $10 in addition to the bike.

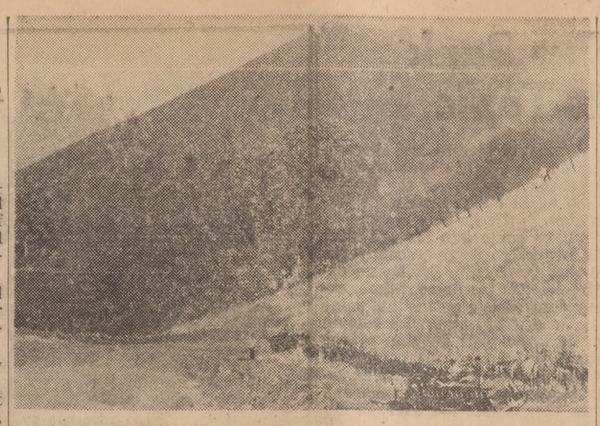
LEGAL NOTICE

NOTICE OF HEARING ON PROPOSED SUBDIVISION

YOU ARE HEREBY NOTIFIED that on TUESDAY NIGHT, August 12, 1958, at 8:00 p.m. in the COUNTY ADMINISTRATION BUILDING, PINE AND ESCOBAR STREETS, MARTINEZ, CALIFORNIA, THE CONTRA COSTA COUNTY PLANNING COMMISSION will consider the application of Marchant Construction Co. (Applicant and Owner) for a proposed subdivision Tract 2654, (2) Two lots. Exception request: Resubdivision of Lots 2 and 3 of Tract No. 2021—One lot to be less than 40,000 sq. ft. as provided under the Zoning Ordinance of the COUNTY OF CONTRA COSTA, as amended.

The property above referred to is described as follows, to-wit: Lots 2 and 3, Tract 2021 fronting on the south side of Nordstrom Lane and south of intersection of Hilltop Drive.

J. P. CONNORS,
Chairman of Contra Costa County Planning Commission.
L-1314—Laf. Sun, August 1, 1958.



CARELESSNESS with matches or cigarettes was blamed for this grass fire which covered large area near Acalanes High School Saturday. Firemen pointed out that with the dry season here, a cigarette tossed from an automobile, or a match tossed by the roadside can cause destruction of valuable property.
—Sun photo by Dave Ogden

Coast Guard Exams Set

Congressman John F. Baldwin announced today that the competitive examination for entrance to the U. S. Coast Guard Academy will be held nationwide on February 24 and 25, next year.

These examinations will be given in 118 cities.

Congressman Baldwin emphasized the opportunity offered young men who choose this four-year course which leads to a commission as a career officer in America's oldest sea-going service and a Bachelor of Science degree.

"There are no appointments or geographical quotas for entrance to the Coast Guard Academy," he said. "I urge all qualified young men who are interested in a worthwhile profession to write for details and applications as soon as possible to Coast Guard Headquarters in Washington, D. C. Applications must be postmarked on or before January 15th."

A candidate for the next examination for the Coast Guard Academy must be single, must have reached his seventeenth but not his twenty-second birthday by next July 1, and must be in excellent physical condition.

A high school diploma is the minimum educational requirement, although high school seniors assured of being graduated by June 30 are eligible to take the examination if they will have at least 15 credits by that time. All applicants must have three units of English, two of Algebra, and one in Plane Geometry by graduation.

Opening of Pool Expected Soon

The new Las Trampas neighborhood pool will probably be completed and ready for swimmers next week end, according to Eugene E. Brown, president of the pool association.

He pointed out that although actual construction work would probably be completed by this week-end, the water must be completely cleared by the filters before swimmers can use it, and that fencing and the parking lot remain to be finished.

A little more than $59,000 has been contracted for the pool, including land, wading pool, and fence.

Orinda Chamber To Meet Tuesday

The Orinda Chamber of Commerce will meet at noon Tuesday at Casa Orinda. A budget may be considered and committee appointments made by John Ogden, president, according to Clarence Betz, chamber secretary.

Nearly Everyone Reads THE SUN

Diablo Valley Nurses Receive Top Ranking

Vocational nurses at Diablo Valley College received top-ranking scores in their state examinations, according to a report recently released by the National League of Nurses Evaluation Service.

In the licensing examination taken last fall, the class of 18 placed fifth among the 34 California schools of vocational nursing.

Their standard score was 585. By comparison, the California average was 524; the national average, 504.

Upon hearing the news their instructor, Mrs. Margery M. Cameron, said, "We're proud of our girls, of course, but we have come to expect this. We have been at or near the top since our program began."

Most of the women who were in the class are now employed by local hospitals.

At the Contra Costa County Hospital, Martinez, are Joan Noyes, Laura Huntley, Jean McDaniels, Faye Bush, Ruth Winslow, Glenys Phelps, Zona Richter and Willadean Alvey.

At the Pittsburg Community Hospital are Eula Mae Grosse, Jewell Rowlett, Esther Simpson and Catherine Smith.

On private duty are Thelma Allen, Mae Beckar, Joyce Bolton and Earnestine Pierce. Lucille Gleb and Betty vander Pauvert are in doctors' offices in Danville and Concord, respectively, as medical assistants.

Their instructor, Mrs. Cameron, has since been named coordinator of nursing education for the Contra Costa Junior College District and is currently setting up a new two-year registered nurse program at Contra Costa College, San Pablo. The class' consulting teacher, Mrs. Suzanne E. Malone, is now in charge of the licensed vocational nursing program at Diablo Valley College.

The licensing examination is prepared by the National League of Nurses and is administered in California by the Board of Vocational Nurse Examiners which is composed of physicians, registered nurses and licensed vocational nurses appointed by the governor.

At Hawaiian School

Among students enrolled at the University of Hawaii summer session this year is Allan R. Stribley, son of Mr. and Mrs. W. R. Stribley of 308 Moraga Highway, Orinda. Enjoying his second visit to Hawaii, Allan is enrolled in a theatrical arts course. He will be a junior at the University of Nevada this Fall.

LOTS OF FUN awaits those boys and girls who will attend the annual day camp to be held August 18-29 at the Walnut Creek city park by the County Crippled Children's Society. Mrs. Jack Gillette of Walnut Creek, shows the program to one of her "campers," little Craig Ringbom.—Sun photo by Richard Morse

To the man who says, "*I'm from Missouri*"...

Frankly, we don't expect you to take *our* word for it when we say the Swept-Wing 58 Dodge is unlike any car you have ever driven. We don't expect you to believe it rides smoother, corners better and handles easier just because *we* say so.

You want more than claims. You want proof. You want to be shown, to be convinced.

That's why we invite you to come in and *Take the Wheel . . . Get the Swept-Wing feel.* Take a '58 Dodge out on the road and compare it with any other car you have ever owned or driven.

Is it everything we say it is? Does it actually ride smoother? Corner better? Handle easier?

We'll leave the answers up to you. You be the judge. Just see and drive and compare the Swept-Wing 58 Dodge. That's all we ask.

SWEPT-WING 58 Dodge

BUTLER-CONTI Inc. • 3434 Mt. Diablo Blvd. Lafayette, Calif.

Go To Church Sunday

Episcopal

Nineteen local men will be admitted to the Brotherhood of St. Andrew on Sunday at the 10 a.m. Holy Communion service to be conducted at St. Stephen's Episcopal Church on Via Las Cruces in Orinda. Regular Holy Communion services will be offered at 7 a.m., 8 a.m., with Ante Communion for families at 9 p.m.

Dedicated to service through prayer, the Brotherhood of St. Andrew is an international organization of men and boys with the evangelical mission to spread Christianity through friendship and example.

Officers will be Capt. H. Watts Pillsbury, director, and Walter E. Christie, secretary treasurer. Members are James Buxton, Clarence Compton, Arthur Darwall, Robert DeWitt, William Effinger, Carl Hoebner, Philip Jelley, Richard Keller, Melvin Muller, Nelson Munson, Richard Spears, Stanley Stidham, Walter White Jr., Benjamin West, Reverend Albert Lucas, Rector of St. Stephen's, and his assistant, Reverend Andrew Daughters.

St. Stephen's Choir will sing under the direction of Donald Aird. Hymns will include "Leoni" by Lyon, "Hanover" by Croft, "Jesu, the Very Thought is Sweet" by D. A. Vittoria, and Williams' "Tony-botel."

Ushers on Sunday will be, at 7 a.m., Jack Rands; 8 a.m., H. Watts Pillsbury; 9 a.m., Arthur White and Wallace Thaw; and at 10 a.m., Carl Hoebner, Newt Davis, Leonard Davey and Forrest Bryant.

Baptist

"Who Needs Grace?" will be Rev. Bruce H. Parker's sermon topic at the First Baptist Church of Orinda-Lafayette Sunday at 11 a.m. in the Veterans Memorial Bldg. in Lafayette. 9:45 a.m. will be Sunday School time with classes for all ages under the direction of Mr. Robert Jordan.

Six forty-five p.m. Sunday evening the Baptist Youth Fellowship will gather in the lower auditorium for a special get-together conducted by Roger Moore. The pastor will speak on "How to get the most out of the least." All teen-agers are cordially invited. The evening service will commence at 7:30 p.m. with a special graduation ceremony for the Vacation Bible Schoolers after which the pastor will bring a short message, "Salvation for the Worst."

Bible Study and prayer meeting will meet in Orinda this week at 7:30 p.m. Wednesday.

Saturday, August 9, the Sunday School will have their first annual picnic, everyone is invited. Call CL 4-2194 for details. Everyone is reminded to get their registration in for the conferences at Meteor Ranch and Hume Lake by Sunday.

All service will be held in the Veterans Bldg. unless otherwise announced.

Lutheran

"Earth's Wealth and Heaven's Treasure" will be the sermon theme of the Rev. Merle O. Tollefson at Our Savior's Lutheran Church, 1035 Carol Lane, Lafayette. Services begin at 8:15 and 9:30 a.m., and Holy Communion will be celebrated at both services. A nursery is available during the 9:30 a.m. service for children under the age of three.

Sunday School classes meet at 9:30 a.m. for pre-school through grade three.

The board of trustees will meet Tuesday evening at 8 p.m.

The mid-week Bible study will meet Wednesday evening at 8 p.m. at the home of Mr. and Mrs. Val White, 3275 Val's Lane, Lafayette.

The youth Bible study will meet at the church Thursday evening at 7:30 p.m.

Christian Science

How strength and freedom are gained through understanding God, divine Love, will be a topic dealt with at Christian Science services Sunday.

The Christian Science Churches in this area are located at 22 Orinda Highway, Orinda; 1347 Locust Street, Walnut Creek; and in Concord at the corner of Grant and Park Streets. Christian Science Society of Pleasant Hill holds its services at the Hillcrest Congregational Church on Gregory Lane.

One of the selections from the Bible in the Lesson-Sermon entitled "Love" is this from Matthew: "And Jesus went about all Galilee, teaching in their synagogues, and preaching the gospel of the kingdom, and healing all manner of sickness and all manner of disease among the people" (4-23).

Correlative passages from "Science and Health with Key to the Scriptures" by Mary Baker Eddy include the following (454:18-23): "Love inspires, illumines, designates, and leads the way. Right motives give pinions to thought, and strength and freedom to speech and action. Love is priestess at the altar of Truth. Wait patiently for divine Love to move upon the waters of mortal mind, and form the prefect concept."

Congregational

Rev. Chauncey Blossom's sermon topic for the 9:30 and 11 o'clock services Sunday morning in the Orinda Community Church will be "On Dealing With Anxiety." Mr. Kenneth Wohn will be the guest soloist.

Church School for three-year-olds through the 8th grade will be held at 9:30 and 11; infant care at 11 o'clock.

Senior Pilgrim Fellowship will meet at the church at 7 to go on a hayride and picnic.

Junior Pilgrim Fellowship will have recreation at Fellowship Hall on Wednesday evening.

A demonstration school for teachers will be held Monday through Friday at the Park Boulevard Presbyterian Church, Oakland.

Christian

E. Franklin Gaige, Minister of the First Christian Church of Walnut Creek, meeting in the Walnut Creek Recreation Center, announces as his sermon at the 11 a.m. service: "The Man Who Disobeyed Jesus." "The Good Samaritan" will be the subject at the 7:30 p.m. worship.

Prayer meeting will be held Wednesday evening at the Charles Taylor home.

Board meeting will be at the Robert Miller home on Friday night.

Covenant

Communion service will follow the morning worship hour at which time Rev. C. Mays will speak on "Simon the Cross-bearer" Mark 15:21 at the 11 a.m. service and "When Jesus Was Lost" Luke 2: 40-52 at 7 p.m. Ed Green will play a clarinet solo.

Sunday School classes will meet at 9:45 a.m. at Lafayette Covenant Church, Brook Street and Moraga Road.

Senior Young People will meet at 6 p.m. Sunday.

Wednesday, 7:30 p.m., prayer meeting and studies in "Christian Character Course."

Saturday, August 2, progressive patio dinner for adult and Chi Rho Classes. Daily Vacation Bible School will meet August 18-22, classes from 9:30 to 2 p.m.

August 10, Rev. Carl Bolin, Turlock, former pastor, will be the speaker at both the morning and evening service.

August 17, Sing in lower auditorium for Senior Young People.

Methodist

Sunday: Church School for preschool children, and a "Young People's Church" for children from first grade and up at 9:30 a.m.

Worship services at 9:30 a.m. and 11 a.m. with the Reverend Henry Page White preaching at both services on the sermon topic "The Ideals of Jesus."

Monday: Board of Trustees will meeet at 7:30 and the Official Board will meet at 8 p.m.

Wednesday: The Prayer Group will meet at the home of Mrs. J. Inman-Kane, 1224 Upper Happy Valley Road at 2:00 p.m. Anyone interested is cordially invited.

Honors Readied For Old Timers

The Oakland Scottish Rite Bodies will hold their annual Old Timers' Night on Monday at the Oakland Scottish Rite Temple at 1547 Oak Street, Oakland.

Commemorating the Oakland Scottish Rite's 75th Anniversary, more than 1700 who have been Scottish Rite Masons for 25 years or more have been invited to a special Diamond Jubilee Old Timers' program of ceremony and professional entertainment.

The man from Lafayette who will be honored is Chris N. Andersen.

Orinda men who will be honored include Milton G. Horgan and Uriel B. Smith.

Local Man Wins

Bus Tutthill of Lafayette won the F-racing hydroplane event in the California outboard racing championships Sunday at Kingsburg.

Tutthill recorded a speed of 92 miles an hour on the Kings River course, about five miles an hour faster than Larry McSeaton of San Jose, who was second.

Eye Bank Is Topic

A moving picture and discussion on "eye banks" featured the luncheon meeting of the Rotary Club at El Nido restaurant yesterday.

"Eyes come into the eye bank as bequests from recently deceased persons," Dr. Moore explained. "At the present time, every donated eye means that some one who would otherwise remain in darkness will be able to see again."

The moving picture showed actual operation of eye banks and how they affect the average citizen.

"The development of eye banks has for a number of years been an unofficial objective of members of District 516 of Rotary International," said Dr. Moore, who was program chairman for the day.

He told Rotarians that any persons interested in the eye bank program may obtain information from their family physicians.

Merner Elected Chairman of Library Board

F. C. Merner has been named chairman of the Lafayette Library Association.

Other officers chosen at the board's organization meeting are Loy Chamberlain, vice chairman; Mrs. A. H. Brandstad, secretary, and E. C. Pike, treasurer.

Mrs. Harold Mutnick was appointed chairman of the finance committee, and Mrs. Dow Votaw named publicity chairman.

The board plans to proceed with construction of a new library at its present site if it can be purchased from the Lafayette School District.

Included in the site, if plans work out, will be the adjacent tennis court property owned by the school district.

Local Woman's Name Proposed

The name of Mrs. Hal C. Bates of Lafayette was proposed for assistant secretary of the Republican State Central Committee at the recent state board meeting of Young Republicans in Santa Rosa.

The group unanimously recommended Mrs. Bates for the post, reported Joe Ziblocki, chairman of the local Young Republicans.

Delegates included Mr. and Mrs. Bates, Mr. and Mrs. Ziblocki and Mr. and Mrs. William R. Dorsey.

The great interest in current politics is shown, Ziblocki said, by the fact that although only a maximum of 70 persons were expected at one breakfast meeting, over 200 showed up.

Exceptionally Clean Sheds leaves all at once.
Spectacular in Fall Bright golden foliage.
Tap Root System Ideal for parkways.
Thrives Anywhere Hardy to minus 10

Resistant to Drought and Alkali

Plant Now . . . Excellent Choice!

8 to 10 ft. Trees Reg. $4.50 — $3.50

Chilian MAYTENUS

Valuable small evergreen for lawn tree or alongside water with good drainage. Branchlets hang down from ascending branches, giving tree daintiness and grace. (Famously beautiful on the University of California campus at Berkeley and Davis).

6' to 8' Trees Reg. $6.95 — $4.95

America's new and finest shade tree -- the MORAINE LOCUST

There's good reason why the Moraine Locust is rapidly becoming America's favorite shade tree. It's just right for your lawn and garden for these reasons:

1. **Light lacy shade** permits lawn grasses to thrive underneath.
2. **Fast hardy growth.** This hardwood tree grows to a height of 25 feet in just 10 years.
3. **Storm resistant.** Resistant to disease and insects too!
4. **Thornless and seedless.** Your lawn has a clean, just-raked appearance. The delicate leaves disintegrate quickly.
5. **Graceful shape**—grows to a wide spreading, vase-shaped tree of great beauty.

5' to 6' trees Reg. $6.50 — $4.95

These MORAINE® LOCUST trees are seven years old.

White Birch

Deciduous. Delicate and lacy, upright branching with weeping side branches. Plant in groups for natural effect. Grow to 30-40 ft.

5' to 6' Trees. Reg. 3.50 ..... $2.95

Paul Scarlet Hawthorn

For variety and individuality. Forms a rather round dense head, many clusters of double red flowers. Fall color. Hardy, deciduous, to 18-25 ft.

6' to 8' Trees. Reg. 5.50 ..... $4.50

Redwood Stain Special

a complete redwood finish, STAINS, SEALS, FINISHES. Made by the manufacturer of namebrand stain, Paul Bunyan Redwood Stain is a high quality logwood oil containing sunfast oxide pigments finely dispersed in a tough, durable, weather resisting, penetrating, waterproof vehicle.

reg. 2.95 gal.

2 Gals. $5

Washington Hawthorn

Small white flowers in May. Shiny, bright red berries hang on until January. Light open structure, to 25 ft. Deciduous.

6' to 8' Trees. Reg. 7.50 ..... $5.95

Lombardy Poplars

These beautiful spire-like trees and upward pointing branches are symbols of ranch and farm. Fast growing 40-90 ft. Deciduous.

8' to 10' Trees. Reg. 3.95 ..... $2.95

Cedrus Deodoras

Evergreen. Use potted this year as Christmas tree, then plant out where it has plenty of room. Graceful light texture. Grows to 80 ft. at the rate of about 3 ft. a year.

8' to 10' Trees. Reg. 7.50 ..... $5.95

MEADOW MICE? Use New Guaranteed effective WARF Pellets ..... one pound 95c

GOPHER TABS. Cooke's new quick action.... 1.49

Liquid Fertilizer Special

Easily applied with sprayer and garden hose. . . . Just right for monthly lawn seeding.

Let's Talk About Money, Politics And Little People

The summer dog-days being what they are, you don't hear an awful lot about politics.

Maybe that is just as well, because there certainly was plenty of it flying along about June.

And it's a sure thing that there will be lots more come October and November.

Now, how you feel about politics--at at least in this country, thank goodness — is your own business. Whether you don't give a hoot, or work like heck for your favorite horse is, again, your own business.

PERSONALLY, WE hope that there are a lot of people who are interested in politics, because, whether we like it or not, politicians have a great deal to say about the way we live our lives.

And the more people who are interested in politics, the better chance there is that good men will run for, and get elected to, office.

Let's consider another aspect of politics, or at least a different slant of the same aspect.

How do candidates get to be candidates, and who supports them? This can happen in a variety of ways. Sometimes candidates are hand-picked by going political organizations, and sometimes they are riled-up individuals woh decide that they, personally, are going to do something about the situation.

WHERE DO THEY get their support? Again, from a variety of places. By far the most prominent support comes from the established political parties—the Republican and Democratic organizations.

They have an organization to start with, and if they endorse a candidate, that man can be assured of the support of a majority of the party followers—an important assurance.

Now, how about these followers? These are the people who make up "party organizations," but they are just plain people, like you and your neighbor.

If they are sufficiently interested in a man or a campaign, they dig down into their pockets and come up with $1, or $5 or maybe even $10, if they are mad.

But enough dollars goes a long way towards supporting a candidate's campaign.

OF COURSE, THERE are lots of "big donors," too—people who can afford to give $1000 or more.

We think that financial support of a party or a candidate by individuals is an excellent thing.

We would far rather see a candidate supported by 1000 individuals, who gave $1 each, than by one man who could afford to give $1000.

This, of course has been happening for a long time. The Democrats are still waging a Dollars for Democrats campaign, soliciting $1 each from their members for the support of candidates. The Republicans have a similar program.

We think this is good. People who believe in something should support it. And if you give a dollar or two, you will be more interested than if you just talk and give nothing.

WE URGE ALL of you to give it some thought now that summer is with it. Remember, November is just around the corner.

We urge you to support your favorite candidate, whether he be incumbent or challenger, with $1, or more if you care to do so.

This will insure that you are giving it some thought. And you will be supporting your party, too, which if you believe in the American way of government, is a way of showing your belief.

The Staff Corner

Shh! Let's Talk Politics

By BOB RAPIDA

Now's as good a time as any to talk about politics. Sure, the general elections are several months away and most of the ill feelings which might have been created during the primaries have all died away.

Now seems like a good time wander back through the precinct returns and meet our write-in candidates.

It never fails that someone picks his favorite son candidate and writes him in, or shows his dissatisfaction with all candidates running by inserting a terse remark.

There was the person in Moraga precinct 2 who noted his dislike of Republican incumbent John Baldwin, representative from the sixth congressional district, and Democratic candidate Howard Jewel by inserting "Someone ELSE" in a bold hand in the blank space directly below Jewel on the Democratic ticket.

C. Terence Ring, a candidate for Walnut Creek Justice Court judge, picked up three votes for District Attorney while Martinez attorney Francis Hoey picked up one vote for DA. John Nejedly had the edge, however, and was elected in the primary. John Connelly, former mayor of Walnut Creek, and at one time a candidate for Judge of the Walnut Creek Justice Court, received a write-in vote from a Lafayette follower. In the same precinct, James Casey received a write-in vote on the Democratic ticket for governor.

Dwight M. Rutherford picked up one write- in vote on the Republcian ticket for state treasurer. Meanwhile, Bill Knowland and Pat Brown were faced with more opposition when a Mr. Hatfield was written in by a dissatisfied Orinda voter. Herbert Steiner was given a vote of confdience for governor with one vote and Herman Batefield received a Democratic vote for senator.

John F. Shelley, well known representative from San Francisco, picked up two votes for governor, and Laurence Cross, former mayor of Berkeley, received one vote for State Board of Equalization.

Governor Warren (Earl Warren, chief justice of the United States Supreme Court) was the choice of some voter in Walnut Creek for United States Senate.

Goodwin J. Knight, governor of California and presently a candidate for United States Senate on the Republcan ticket, received write-in votes for governor in Walnut Creek, Pleasant Hill and Alamo.

In several instances, the entire slate of the Democratic party was written in on GOP ballot. For example, in Pleasant Hill and Orinda, Brown, Anderson, Lopez, Cranston, Betts, Mosk, Engle, Jewel and Walkie were written on the GOP ticket.

But the Democrats seemed to stick by their party members and not one wrote in an entire Republican slate. In any case, most GOP candidates were cross filed.

With the exception of the John Doe write-in vote for Republican Central Committee in Lafayette, all other write-in votes were actual people living somewhere in the county.

Now, all that's left is to look forward to who gets written in during the November election. If you write in, remember that the name must be spelled right to count.

Don't Dilute Advantages With Big City Problems

By JOYCE BARNUM

Until I read excerpts from a most learned gentleman's speech the other day, I was never sure just what the trouble was with my mixture.

Now I know.

I never quite thought of half and half before. But if you want Diluted Advantages, you have to work pretty hard, and this gentleman has spent a lifetime working out the formula.

THE WISE and learned man addressed members of a conference on Metropolitan Problems. Suburbs, he told the group, are half-way between city and country living, diluting the advantages of each.

It's pretty hard to come up with the right mixture, each time. But now with this newly acquired formula, I'm all set.

I marvel that this scholarly administrator was able to arrive at the formula. Because he doesn't live in the suburbs. He lives in town. But then sometimes those townspeople are pretty sharp, especially with their tongues.

This particular townsman says that he finds suburbs "very dull and conformist."

My goodness, if he's looking for dullness and conformity, he can find it, first of all, in the towns lining the shores on the east side of the bay.

ADMITTEDLY we do conform in some ways, here in the suburbs and some of the things that we do are undeniably dull, but we have our moments, even in the good old Diluted Advantage suburbs!

The Suburban way of life will be outmoded by 1984, the speaker told the men with Metropolitan Problems.

By then, he said with relish, we'll all have a 30 hour work week, an annual month-long vacation. We'll live in cities where we'll work, and commute to the country for long weekends and vacations.

This urban living in 1984 will result in cities becoming "centers of the greatest cultural flowering in U. S. history."

THIS IS SOMEWHAT confusing logic.

If the 1984 suburbanite will be fleeing to the country during his leisure hours, how are the Undiluted Cultural Advantages lurking in the city going to enrich this former suburbanite's parched existence?

This poor man is between the devil and the deep blue sea and is more to be pitied than scorned. For in this remarkable speech to the Metropolitan Problem men he said, "We should put aside our distrust of cities and glory in them."

This is a very interesting statement. While extolling the virtues of urban living, the man doesn't really trust urban areas.

WHEREVER PEOPLE live in 1984, they will probably be very conformist about paying their taxes, attempting to provide well for their children and the other responsible sorts of things that we dull suburbanites of 1958 are doing.

We, present day, suburbanites are a pretty hardy race. I doubt that many of them distrust the cities of our nation, they just don't care to live there. If they did, they'd pack their Diluted Advantages and move there.

Suburbanites are adventurous enough to expose their offspring to the unadulterated urban air on occasions— showing them the museums, the zoos, the sights of the city. And I doubt that they warn their offspring to distrust the city.

'Chalk Garden'

The closing performances of the Dramateur's highly successful run of "The Chalk Garden" will be given at Lafayette Town Hall tonight and tomorrow night at 8:30 p.m.

Letters to The Editor

PEN CLUB

DEAR EDITOR:

May I introduce myself?

I am a Scot, (hometown—Edinburgh) now a Civil Servant in London. During the war I was a radio operator in the British Merchant Navy and I visited America many times. I was always impressed by the kindness and hospitality shown to the "Limeys" like myself who were thrown up on your shores by the war.

I now have a lot of spare time and so as a hobby, I have started the above Club to enable children and teenagers in America and Britain to get to know each other better, exchange ideas, magazines, etc.

I already have a long list of young Britons who are eager to make pen friends in America but my difficulty is putting them in touch with young Americans of similar interests. I am, therefore, taking the liberty of writing to you in the hope that you will bring the club to the attention of your readers.

I am sure you will agree that only good can come from such a flow of correspondence across the Atlantic and if any of your readers are interested would you please advise them to write to Mr. H. Henry, 38 Crawford Street, London, W.1.

Yours sincerely,
H. HENRY

ON TEACHERS' PAY

DEAR EDITOR:

Several recent editorials and letters-to-the-editor have been concerned with the "poor" pay and working conditions of the teacher. The public does not appear to share the idea, and with good reason will probably not buy it.

Most people I have talked to, including several teachers, feel that teaching offers several advantages over other occupations: the work year is short—only 40 weeks; the pay is good, especially for a woman (as most teachers are); there is good opportunity for a man and wife to work at the same occupation; and it is possible to find good living conditions near the job.

Occasionally, a beginning male teacher may feel that the pay is low, and "other pastures are greener.

MOST OF THE taxpayers with similar background of education and experience, however, find that they have to subsist in the same salary range.

The teacher can earn an extra sum during the summer, or he can study for better pay. When a recession comes, the teacher has tenure, and his job is secured.

There is little security in industry. When a recession comes, a "readjustment" may be necessary—perhaps to another field of endeavor.

Study is necessary to compete for advancement, and there is no long vacation in which to do it; classes and study come at night. The day is long, however—about ten hours including transportation—and such study comes as a sacrifice.

IT IS CLAIMED that higher pay will attract better teachers. Hiring policies, however, do not favor the good teacher, but the mediocre.

After hiring, there is little incentive to teach better; upgrading is automatic with years of experience, amount of graduate work taken, and such other seemingly irrelevant matters as accepting the "right" church.

Before we talk about higher pay for teachers, let's talk about a system that selects and favors good teachers, discourages poor teachers, and encourages better teaching.

Perhaps we should stop asking the teachers to chaperone dances and "baby-sit". Perhaps, when changes in policies come about, the pay will prove quite adequate to attract good teachers.

Perhaps it's not the pay, but the conditions imposed by the Administration that scares off good teachers.

ROBERT KEEN

DEAR EDITOR:

The members of Acalanes chapter, Daughters of the American Revolution, wish to thank you for your gracious co-operation in printing their news this past year.

LOUISE HUGO-SMITH

Under The Sun

For Children Who Play, The Parents May Pay!

By HERMAN SILVERMAN

Children are wonderful little animals. What would life be without them? But now and then (particularly in late summer) children, of all ages, get ants in their pants and look for something exciting to do. Sometimes they get in trouble.

I had this in mind when I re-read "The County Sheriff Department's Newsletter" distributed, under the signature of Sheriff Harry Brown, several months ago. Of course, it wouldn't apply to your children or mine—'cause they are so good they wouldn't think of such things. But let me present the material anyway—without further comment, here it is:

Let's play post office

Complaints have been reaching your Sheriff's Department that juveniles are interfering with U.S. Mail. Whether from lack of information as to the penalties involved or in a misplaced desire to have "fun," juveniles or adults who interfere with the mail or take mail, not addressed to them and place such mail in other boxes are violating Postal Law-Title 18, U.S. Code Section 1705.

A fine not to exceed $1,000.00 or 3 years in prison may be imposed for each offense.

Have gun—will trouble!

Your Sheriff's Department periodically warns parents and youths, through all public media, that Ordinance 603 prohibiting the possession or use of firearms of .22 calibre or greater by minors under the age of 16 years and **ALSO AIR GUNS** within the boundaries of Contra Costa County is being rigidly enforced. Yet complaints continue that parents allow youngsters to use Bee Bee guns and other firearms without the direct supervision of an adult.

Ordinance 603 provides: "Section 1: It shall be unlawful for any minor under the age of 16 years to possess or use any firearms of .22 calibre or greater and/or air guns within Contra Costa County unless said firearms and/or air guns are under the direct supervision and control of ADULTS."

It's parents who pay

The Department frequently contacts parents, while investigating the activities of their youngsters or their youngsters' associates, and almost without exception officers note that parents are not psychologically prepared for the financial responsibility, provided under law, for the acts of their children.

Section 1714.1 of the Civil Code provides: "Any act of wilful misconduct of a minor which results in any injury to the property of another shall be imputed to the parents having custody or control of the minor for all purposes of civil damages, and such parents having custody or control shall be jointly and severally liable with such minor for any damages resulting from such wilful misconduct.

"The joint and several liability of one or both parents having custody or control of a minor under this section shall not exceed $300 for each tort of the minor. The liability now imposed by law."

While parents, once informed of the provisions of this section, normally volunteer to pay for damages, the code serves as protection for property owners when responsibles might prove recalcitrant.

If children are informed that damages are recoverable, because of their acts, this should serve as a major deterrent against overt behavior.

Philippine Medal Presented To Jack Block of Orinda

For his achievements as secretary of Lions International Operation Philippines L. Jack Block of Orinda has been awarded a medal signifying his membership in the Philippine Legion of Honor.

The presentation of the medal was made by President Carlos Garcia of the Philippines during his recent visit to San Francisco.

A citation credits Block with having "inspired and geared into signal success the accumulation of various farm instruments from all over the Uniaed States, estimated to cost about $1,500,000, for distribution among the farmers of the Republic of the Philippines.

"Realizing the predicament of the Republic in her socio-agrarian and economic problems, these men spontaneously rallied and campaigned for said aid with unwavering effort, solicitude and marked resourcefulness.

"Their humanitarian achievement not only enhanced the friendly relationship between the Republic of the Philippines and the United States but also strengthened our stand against the encroachment of Communism."

Pacheco Centennial Will Have Largest Parade Ever

The Pacheco Centennial Roundup will be held August 15 to 17.

O. F. Slaughter, Centennial parade chairman, said that this year's parade will be the largest in its history.

The first entry received was from Hamilton Air Force Base for its 54 member band and color guard.

OTHER ENTRIES include two floats from the U. S. Naval Depot of Concord, the Men's Drum Corp of Castro Parlor N.S.G.W., San Francisco, The Military Order of Cooties and Cootiettes from Concord and a Unicycle drill team sponsored by the Sun Valley Recreation Club of Pleasant Hill.

Entries in the horse division of the parade include the speciality rider, Cordy Campbell of Dixon, who portrays "Annie Oakley and Target".

Miss Campbell has most recently won awards at the Sonoma Mother Lode Parade and the Reno Rodeo Parade, she has traveled over 5,000 miles in the past year to enter such events.

Mrs. Polly Miller of Redwood City will ride "Fair Ellen" competing for best parade horse trophy.

THE GRAND PARADE scheduled for 1:30 p.m., August 17, will feature floats using the Centennial theme, one of which will be the float carrying the Centennial Queen and her attendants.

Five of Pacheco's young ladies have been selected from the original list of applicants and they in turn will be judged on August 15 and the winner crowned at the Coronation Ball, commencing at 9 p.m., and shall reign over the Centennial celebration.

The Parade will start from the Contra Costa Speedway grounds go through the town and return to the Speedway arena for a Grand Finale display of the parade entrants. Permission has been secured to close off part of Pacheco Boulevard and reroute Highway 21 traffic around the area so as to facilitate the use of this portion of the highway for the parade.

The Chuck Wagon Breakfast by the Pacheco Bay Scout Troop 164, scheduled for August 16, 8 to 12, will feature pancakes, sausage, coffee and milk, for 50 cents. This will be coupled with the Centennial Bar-B-Q on August 17, 3 to 5 p.m.

POOL TAX

DEAR EDITOR:

Last month we placed in the hands of yourself and your staff information concerning the problems posed for Las Trampas Pool by recent developments involving Sections 4231 and 4241 of the Federal excise tax code. We also asked for such help as publicity through your papers might afford.

The purpose of this letter is to acknowledge with deepest thanks, on behalf of our membership, the several able responses you have made to our request. The feature articles by Fred Hill on June 6 and 20 and the front page story July 18, culminating in the lead editorial of today's issue, have been of immense value in promoting a solution to our tax problem.

They have assisted in the formation of inter-pool alliance among community pools interested in common action. We have forwarded your editorial to several senators, in whose hands we hope that it helps to spur the early passage of legislation correcting the misclassification of pools like ours under the tax code.

Sincerely,
E. E. BROWN,
President
Vice President
B. E. PRICHARD,

Another Rabid Skunk Reported Within County

"Another case of rabies among our wild skunk population was reported to the Health Department", Dr. H. L. Blum, County Health Officer, said today.

The latest case, discovered in the Nortonville area of Pittsburg, makes a total of six rabid skunks found in the county this year.

Other cases have been reported from Alamo, Mt. Diablo area, Franklin Canyon, and the Lakewood area of Walnut Creek.

Fortunately, the most recent case had not bitten any humans, but was captured after it was observed chasing pets.

It is obvious that rabies exists among wild life in widely separated parts of the county. The chance of a rabid skunk biting a household pet, thus bring this dread disease to one of our citizens is not a remote one, Dr. Blum said.

He said that the best way to protect families and pets, is to have dogs vaccinated by a veterinarian as soon as possible.

Nawmans Return

Mr. and Mrs. Robert Nawman, 99 Estates Drive, Orinda, and their daughters, Nancy and Layne their daughters, Nancy and Layne, have returned from a vacation trip that included visits to the Grand Canyon, Bryce and Zion national Parks, Las Vegas, Disneyland, and Santa Monica.

NOT MUCH elbow grease but plenty of glamour was provided Saturday when gals of the Genista Branch, Children's Hospital of the East Bay, turned car washers at MacPherson's service station. Proceeds went to the hospital, and business was brisk. Left to right are Karyn Koren, Jeanne King, Barbara Kaufman, Heidi van Geunthner, Carolyn Kelleway, Ruthi Watson, Bev Lucas and Pat Foley.

Oakland Show Features Orinda Woman's Ceramics

An informal group show of ceramics is being given in the Ivory Room of the Oakland Artists Center Gallery, 3124 Lakeshore, Oakland. Regular gallery hours are 12 to 5 daily, except Monday, and 12 to 8 p.m. Sundays.

Carol Henrikson, of Orinda, whose ceramic work is modern and elegant, will show coiled bottles, bowls and ashtrays. Mrs. Henrikson, who majored in art at University of Washington, not only creates pottery of sensitive design in her home workshop, but also makes unusual tile wall hangings which are mounted on wood. Her ceramic repertoire includes subtly colored tile-topped tables for living room and patio, and an original kind of doggie bar and birdbath combination made of tile scraps laid in cement in a mosaic pattern.

Mrs. Henrikson's interest in decorative art for the home extends to the design of furniture and the house itself. She has designed and made living room furniture, reminiscent of modern Swedish and, with her husband, designed and built a modern home in Orinda. A creek barred the way to their property near Lost Valley Drive, and so they built a bridge over the creek which would be sturdy enough to withstand automobile traffic.

A creative and sophisticated chef, Mrs. Henrikson recently won a recipe contest at the Walnut Creek Cooperative market, of whose arts and crafts committee she is an active member.

Mrs. Henrikson studied ceramics at Mills College and at Berkeley Adult School. She has her own home workshop, for which her husband made a potter's wheel for her. She uses the coil method of building up clay as well as throwing it on her wheel. She has exhibited pottery and other ceramic items at both Walnut Creek and Berkeley Co-op arts and crafts exhibitions, Berkeley Sidewalk Show, and elsewhere.

The Oakland Artists Center Gallery, Oakland's first cooperative artists' group, opened July 1 for the purpose of exhibiting and selling the work of local artists, sculptors and ceramists.

General Hospital Camp Will Begin

The 352d General Hospital of the Army Reserve Corps will encamp at Fort Ord for a two-week period of active duty training, August 3 through August 17.

This will be the tenth year of such training for the largest Army Reserve unit in the East Bay, with total strength of 229, consisting of 64 officers, 6 warrant officers and 159 enlisted personnel.

The hospital, the first medical unit in the Sixth U. S. Army to report for such duty, is commanded by Colonel Charles B. Hudson of Oakland.

Dinner for Howard Jewell Is Tomorrow

A dinner will be held tomorrow evening at 8:30 in the home of Mr. and Mrs. Charles Chase, 272 El Divisadero, Walnut Creek, for Howard Jewel, Democratic candidate for U. S. Congress, Sixth District.

Invited are local residents and members of the Democratic Clubs throughout the county.

Jewel, a young attorney from Orinda, won 44 per cent of the popular vote in the recent primaries, although he did not cross-file.

Interested citizens will have the opportunity of meeting him and talking informally with him on current issues. Tickets may be secured through the Contra Costa Democratic Women's Club, the sponsor, by calling Mrs. John Stock of Walnut Creek.

Vacationing

Among the recent guests at the Del Monte Lodge, Pebble Beach, were Mr. and Mrs. Floyd Ries of Walnut Creek and Mr. and Mrs. Don Rice of Alamo.

When you shop at home you boost your own community. And the place you live is pretty important to your family. Besides, it costs less. Try it!

Judith Hall Says Vows At Berkeley Ceremony

Judith Gilmore Hall became the bride of Pate Donald Thomson June 21 in a ceremony at the Chapel of the Great Commission, Pacific School of Religion, in Berkeley.

A reception was held in the home of the bride's parents, Dr. and Mrs. Ralph C. Hall, Davis Road, Orinda.

The bride's attendants were Mrs. William D. Bedard of Berkeley, matron of honor; Joanne Hall, her sister; Sandra Brose, Piedmont, a Chi Omega sorority sister, and Mrs. Richard Hosegood of Pasadena, also a Chi Omega.

Best man was Donald Walter, a Sigma No fraternity brother of the groom at the University of California. Ushers were Duncan Thomson, the bridegroom's brother; John C. Hall, the bride's brother, and Dan Hagstrom, Redding.

Miss Hall, a grammar school teacher in Orinda, graduated from Cal with the class of '57. Her husband, son of Mr. and Mrs. Donald O. Thomson of Oakland, is a pre-med student at Cal.

Crippled Children Day Camp Will Begin August 18

The Contra Costa County Crippled Children's Society will sponsor an annual day camp at the Walnut Creek city park, August 18 to 29.

Mrs. Jack Gillette of Walnut Creek, will be in charge. She will be assisted by Jane Gillette and Carol Guinn of the Walnut Creek Recreation Department, and also Dave Davison.

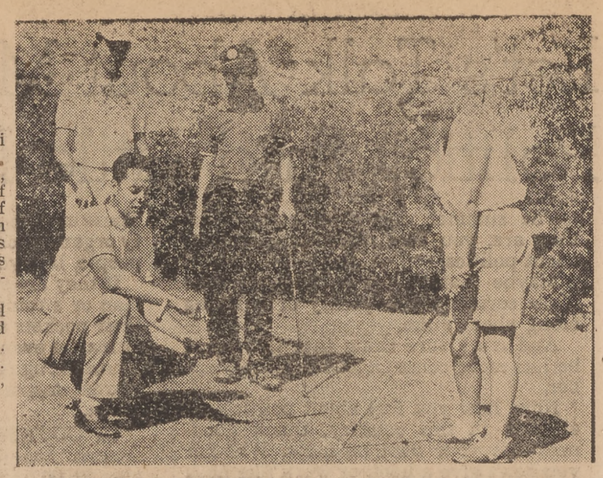
About 20 young boys and girls will attend the camp, which will be held five days a week, from 10 a.m. to 3 p.m.

The children will bring their own lunches and swim suits for the limited depth pool. Ice cream and milk will be provided.

Entertainment programs are being planned.

Residents Travel

Fenn J. Wilson of Orinda is among the nearly fifty Maytag regional managers and other field sales personnel who attended a sales meeting of the company Monday in Salt Lake City.



YOUNG GOLF PLAYERS have been turning in top scores at Meadowbrook Golf Club. Larry Moncoar, club pro, is shown instructing (from left) Bun McBride, 15; John Correia, 14, and Karla Weinzheimer, 14. McBride recently set the course record of 68 for 18 holes. Correia scored a hole-in-one on the 110-yard No. 3 hole, and Miss Weinzheimer, after four weeks of instruction, toured the nine-hole course in the 50's.
—Sun photo by Dave Ogden

MARGARET VILAS on El Topacio received first place honors in the pleasure horse classification at the annual running of the Contra Costa Horsemen's Association Show Sunday in Concord. Presenting the award is Les Tomlin, president of the organization.

HAPPINESS glows from the faces of Mr. and Mrs. Frederick Arbogast, after their marriage in a Berkeley church, July 20. She is the former Delores Roeschen, the 1956 Walnut Festival Queen. He is a University of California chemistry student.
—Ted Gurney photo

HAVING A LEISURELY luncheon and enjoying the "latest look" at Hotel Claremont's Wednesday fashion luncheon are Mesdames Edmund S. Barnett and John M. Floyd of Lafayette, and Harmon Howard and A. D. Lindsay of Walnut Creek, and guest model Mrs. Mel Nielsen who models a red Genoese hostess gown of imported semi-antique silk, a custom original designed by Gibson Bayh. Also present were Mrs. Donald Doyle and Miss Sheila Nielsen, Mrs. Nielsen's daughter.

GETTING IN TUNE for the luau to be held the evening of August 16 at the F. C. Merner home at 1383 Reliez Valley Road are Mrs. Phillip Holmes, Piedmont Pines; Mrs. Clarence Steding, Lafayette, and Mrs. George Saxe, Oakland. The party will be a benefit for the Sycamore branch of the children's hospital.
—Sun photo by Dave Ogden

Roeschen-Arbogast Rites Held

Miss Delores Anne Roeschen of Lafayette was wed July 20 to Frederick L. Arbogast, a University of California chemistry student, in St. Clements Episcopal Church, Berkeley.

The couple will live in Berkeley, where Mr. Arbogast will continue his studies.

Rev. Canon Charles Mortimer Guilbert performed the ceremonies. The bride was given away by her father.

SHE WORE a white floor length gown of imported chantilly lace, a traditional style French illusion finger tip veil, pearl and sequins, and cap headpiece.

She carried a crescent bouquet of Lily of the Valley, Fleur D'Amour and stephanotis.

She was attended by Miss Sherrill Lercari, maid of honor. Phillip Shoptaugh was best man and ushers were Charles D. Roeschen, the bride's brother, and Peter Arbogast, the groom's brother.

Harold Oxen was the soloist.

AFTER THE wedding, a reception was held at the maid of honor's home in Lafayette.

The bride is a graduate of Acalanes High School, a member of the Daphne Branch of the Children's Hospital of the East Bay and American Field Service. She is a graduate dental nurse.

She was named the Walnut Festival Queen in 1956.

Mr. Arbogast is an Acalanes Graduate, and a chemistry student at UC.

Parents are Mr. and Mrs. Charles Roeschen of 3642 Brook Street, Lafayette, and Mr. and Mrs. Lowell Arbogast of 3794 Hamlin Road, Lafayette.

Merner Home Is Selected For Benefit Luau Party

Arrivals at Sycamore Branch's Polynesian "Hoolaulea" luau on Saturday, August 16, will have all the excitement of a real trans-Pacific luxury airliner's landing, with the entrance of the Frederick Carl Merners' Lafayette home converted to a gleaming plane, from which guests will walk a red carpeted boarding ramp to the Merners' Hawaiian torch-lit gardens at 1383 Relief Valley Road, Lafayette.

Orchids and hibiscus will bloom in lush tropical foliage about the Merners' pear-shaped swimming pool, which, with fish nets, floating flowers and coral islands decorating it, will be "the beach" on luau night.

SOME 500 FRIENDS of the Children's Hospital of the East Bay branch are expected to don island costumes for the affair, which starts at 7 p.m., according to Mrs. Robert P. Lee, chairman of the hospital benefit.

First stop for guests upon arrival will be for refreshments in the little grass shack, after which they will be invited to view preparations for the feast. Whole pigs will be roasted in the island manner, and the Napoleons of Alameda, widely famed for their preparation of Polynesian delicacies, have planned an authentic menu for the evening, to include Laulau, Loni loni, chicken long rice and bananas, pineapple and papaya.

TAPA CLOTH will cover the garden tables, from which guests will view a program of Polynesian entertainment. Tahitian Johnny Guttill and his Tropical Islanders orchestra will provide music for performances by the Fonoimoana Sisters of the Samoan Knife Dance and a Maori Dance, and for hulas by Dorothy and Rhoda Ann Napoleon, Mary Napoleon Costello and Teile Holt. Dancing will follow the poolside stage show.

The hundreds of leis with which Sycamore hostesses will greet lau arrivals are being fashioned by the following committee members responsible for planning Saturday's Hooloulea: Mrs. Francis T. Smith, who is assisting Mrs. Lee with arrangements; Mrs. Jack Wohlrab and Mrs. Forrest E. Knight, chairman of decorations, and their assistants, the Mmes. Eaton W. Anderson, Leonard A. Komor, Edward B. Kelly and Thomas Muir.

Mrs. Thorvald T. Brown, with her husband's assistance, will be in charge of refreshments. Heading the contingent of hostesses will be Sycamore Branch chairman Mrs. Phillip Holmes, and welcoming guests with her will be the Mmes. Robert C. Chamberlain, William C. Hower, Stephen E. Maddigan, Hal Peck, Gordon M. Truman, Al Weimann and Robert R. Windeler. Mrs. George E. Saxe, with Mrs. Weimann assisting, is handling publicity for the event; Mrs. Paul Baumgart, announcements; and Leonard Komor, lighting.

Reservation may be made with Mrs. David C. Rust, 6219 Clive Avenue, Oakland. Proceeds from the affair will benefit the hospital's charitable program of part-pay assistance for needy children.

Holton Opens Danville Office

Lloyd E. Holton, who for many years has functioned as a real estate broker and Realtor in central Contra Costa County, has moved his operations to 124 North Hartz Avenue, Danville.

His new modern offices will be known as Lloyd's Realty Company.

A student in the technique of real property and the science of sales, Mr. Holton holds several certificates of competence and is one of the leaders in the Contra Costa Real Estate Board.

Dinner Barbecue

Alpha Gamma Delta alumnae of the East Bay will hold their annual dinner barbecue at the home of Mrs. Olof Lundberg, 761 San Diego Road, Berkeley, on Tuesday, August 19, at 6 p.m.

Highlighting the program will be Mrs. Henri Henderson, Oakland, who will speak on civil defense.

Mrs. Ada Frances Dawson Jr. of Orinda, is chairmaning the barbecue. Assisting her is the following committee: Mrs. W. H. Clausson and Mrs. Keith Miller of Berkeley, and Mrs. Jack Block, Orinda.

New Officers Are Chosen By Sigma Kappa Sorority

Diablo Valley alumnae of Sigma Kappa sorority have chosen new officers for the 1958-59 terms. Mrs. Richard Hamilton of Danville will serve as president for the group.

She will be assisted by Mrs. Robert Hooker of Lafayette, vice president; Mrs. Harry Bickerton, Concord, recording secretary; Mrs. William Messick, Lafayette, corresponding secretary; Mrs. M. H. Witt, Orinda, treasurer.

Representative to the East Bay Council of Sigma Kappa will be Mrs. Lawrence Harper of Orinda; Mrs. Thor Johnson of Walnut Creek is philanthropy chairman, and Mrs. E. E. Fuller and Mrs. H. G. Noack of Lafayette are Panhellenic representatives.

For their fall project the group is working on articles for the annual bazaar to benefit the Lynn School in Danville. The group will sponsor a puppet booth, with Mrs. Robert Hooker as chairman. Mrs. Daniel Murphy and Mrs. Johnson will be co-chairmen of the annual rummage sale to be held in the spring of 1959 with the East Bay alumnae chapter.

The first fall meeting of the local group will be a "back to school" party on Wednesday, September 10, at the home of Mrs. Alan Siebert, Happy Valley Glen. This will be a poolside party, with dessert served on the patio, and a short business meeting, followed by an afternoon of swimming and sunning. Assisting Mrs. Siebert as hostess will be Mrs. Hamilton and Mrs. Malcom Channing. Sigma Kappa alumnae living in the Diablo area may make reservations by calling Mrs. Hamilton, VErnon 7-6663.

Rare Documents Given To UC Library by Orindan

A group of rare historical legal documents and letters, including a number signed by some of the nation's Founding Fathers, has been presented to the School of Law library, University of California, Berkeley, honoring the visit of Chief Justice Earl Warren.

The extremely rare documents—items of Washington, Jefferson, Franklin and Lincoln—are a gift of Perc S. Brown, 29 Camino Don Miguel, Orinda, and president of Nopco Chemical Company in Richmond, from his extensive personal library of rare Americana.

BROWN PERSONALLY presented the documents at a ceremony held Tuesday. Chief Justice Warren, President Clark Kerr and William L. Prosser, Dean of the school, acknowledged the gift with brief comments. James D. Hart, vice-chancellor of academic affairs, and members of the board of regents were also in attendance.

The letters and documents, mostly of a legal nature, includes:

One of the two longest legal manuscripts in Loncoln's handwriting, a legal brief on a noted case of the time, the Bank of Republic case;

THREE SIGNED letters from George Washington to his attorney, Thomas Smith;

A 13-page folio believed to be the only known legal brief written by Washington in his own handwriting, relating to the aforementioned correspondence with his attorney;

One of the actual promissory notes printed by Benjamin Franklin at Passy, France, when he was U.S. ambassador to the French court, and signed in his own hand. The note is one of those made for a loan from the French government to help finance the American revolution;

The only known existing copy of a legal indenture printed by Franklin in Philadelphia;

THE ONLY KNOWN copy of a power of attorney document printed by Franklin, also in Philadelphia;

One of three known legal documents, printed by Franklin at Passy, and dealing with the bonding of American privateer captains;

A signed Jefferson letter describing the functions of the U. S. Supreme Court as he viewed it;

A COPY from Washington's personal library of the first volume of Dallas' "U. S. Supreme Court Reports" (circa 1790), dealing with legal cases in Pennsylvania, with the title page signed by the first President.

The presentation in honor of Warren—who received his doctor of jurisprudence degree from Boalt Hall in 1914 — recalls a similar gift in his honor in August 1954 that was also presented by Brown to the U.C. law school: four first-edition volumes of Sir William Blackstone's famous "Commentaries on the Laws of England," 1756-69. Last year, the Orinda collector gave a group of first editions of some of the most important American classics to the U.C. Bancroft Library.

Dan. Boone, Calam. Jane Are Featured

Daniel Boone and Calamity Jane — two bloodhound members of the famous Calo Rescue Unit of Russ Cone—will entertain crippled and handicapped children August 22 at the annual Day Camp of the Contra Costa Crippled Children's Society.

The camp, to be held at the Walnut Creek Recreation Center August 18-29, will be in charge of Mrs. Jack L. Gillette of Walnut Creek, assisted by volunteer workers.

Other entertainment for the handicapped youngsters will be provided on other days of the camp, which will be open daily from 10 a.m. until 3 p.m.

The bloodhounds, which have participated in more than 100 searches for lost persons throughout the west, will be brought to Walnut Creek by station wagon from Cone's Los Gatos headquarters, according to Mrs. Gillette.

The camp is open to handicapped children between 6 and 16. They will bring their own lunches, but will be furnished free milk and ice cream by the Society, whose members will also provide transportation.

Parents of children desiring to take advantage of the two-weeks camp have been requested to write to Mrs. Gillette at 742 Rosewood Drive, Walnut Creek.

Orinda Girl Wed In Piedmont Rite

Anne Knowles Chew of Orinda became the bride of Richard Brenton Melbye, Berkeley, in ceremonies performed June 20 in Corpus Christi Church, Piedmont.

She is the daughter of Dr. and Mrs. William Brown Chew, and the groom is the son of Capt. Roy Melbye of Rolling Hills, Calif.

Matron of honor was Mrs. Howard Ewer, and maid of honor was Miss Lois Hansen. Best man was Dr. Wilbur Melbye, the groom's brother.

The bride, who attended Anna Head School, graduated in June from the University of California.

After the ceremony, a reception was held in the Orinda Country Club.

Rodents, Study Help Lafayette Honor Student

Anna Oldano likes books, rats, and money—and she's managed to combine all three in a career that was well under way with her graduation last spring from Acalanes High School.

Her liking for books won a straight-A scholastic record.

Her achievements as a scholar produced money — $600 in three scholarships which she'll start to use when she enrolls at the University of California at Berkeley this fall.

THE RATS are in the Cal radiation laboratory animal house, where she is working this summer to raise some of her college expenses.

"I really like the rats," she said, "even if one of them did bite me the second day I worked. "They're cute."

A $200 scholarship, the Sue J. Irwin award, is the last honor to be given her.

THE DAUGHTER of Italian-born parents, Mr. and Mrs. Edwardo Oldano of Lafayette, she was previously the recipient of two other $200 scholarships—one from the Sons of Italy, and the other from the Acalanes Parents Club.

The Sue J. Irwin scholarship, established in memory of an outstanding Berkeley teacher, was awarded to the pretty Lafayette girl at a joint meeting of Las Amigas Parlor No. 311, Native Daughters of the Golden West, and Walnut Creek Parlor No. 315, Native Sons of the Golden West.

The presentation was made by Mrs. Joseph R. Knowland, NDGW state chairman for education and scholarships.

Anna isn't just sure what she wants to do after graduating from college. Maybe she'll be a dental hygienist . . . maybe she'll be a teacher.

President Back From Convention

Heidi Altofer, of Hillcrest Drive, Orinda, and president of Sigma Kappa sorority at the University of California, was one of six East Bay delegates to the 84th anniversary convention of Sigma Kappa, held this summer in Biloxi, Mississippi.

Lambda Chapter at the University of California at Berkeley was presented with three awards, which Heidi accepted for the chapter.

At a formal awards banquet, the local group received an award for outstanding participation in campus activities, a rushing award and endowment fund award.

California delegates were in charge of decorations for the Panhellenic luncheon, which featured a California theme of golden poppies. Mrs. William Grieg of Oakland, Sigma Kappa National Panhellenic delegate, was guest speaker.

Before flying home, the group toured some of the southern states and visited New Orleans.

Roseanna Silva Becomes Bride

Now making their home in Lafayette after a honeymoon at Lake Tahoe are Mr. and Mrs. Robert R. Kleckner. She is the former Roseanna Silva.

They were married at St. Perpetua's Catholic Church, and a reception was held at the home of the bride's parents, Mr. and Mrs. Frank Silva, Glen Road, Lafayette. She is a graduate of Diablo Valley College.

The groom, son of Mr. and Mrs. Walter Kleckner of Walnut Creek, attended Oakland Junior College.

The bride was escorted to the altar by her father. Monica Langridge was maid of honor, and Carol Van Cleave was a bridesmaid.

AGD Alumnae Guest Evening Is Thursday

The Diablo Valley Alumnae Club of Alpha Gamma Delta will meet at the home of Mrs. Dolores Conti, 5806 Pine Hollow Road, Concord, on Thursday evening at 8.

The speaker will be Sam Conti, candidate for Assemblyman. It will be guest evening for the group.

Mrs. E. W. Jacobson of Pleasant Hill will be in charge of refreshments.

New alumnae members who have just moved into the area and are interested in joining the group, may contact Mrs. Fred Warnke.

Orinda Couple To Visit Europe

Mr. and Mrs. Walter Hartsough of Orinda plan to leave this week end by plane from New York with an Iowa Mountaineers group from the State University of Iowa for a holiday in Europe.

The 29 men and women taking part will climb and hide in eight European countries, visiting Germany, Austria, Italy, Switzerland, France, Yugoslavia Belgium and England.

Hartsough is a University of California physicist.

When you shop at home you boost your own community. And the place you live is pretty important to your family. Besides, it costs less. Try it!

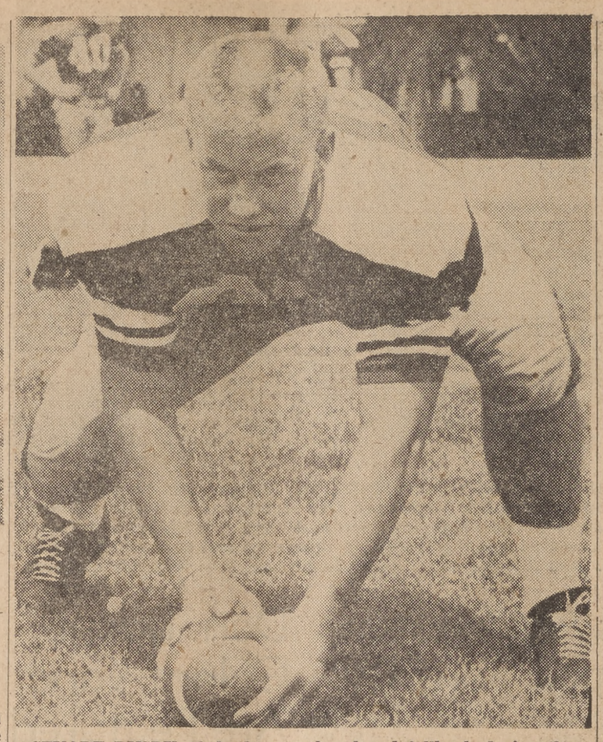
PHIL ROBERTS of Walnut Creek checks things over before racing his car in the hardtop races at Contra Costa Speedway. Several local drivers have been setting record times at the Pacheco oval. Complete details on racing are featured each week in the Hardtop Highlites column written by Jean Maguire. —Sun photo by Richard Morse



STUART BUSBY of Acalanes, who played fullback during the regular season, ended up as a center during the Seventh Annual Shrine North-South football classic, played Wednesday in the Los Angeles Coliseum.

49er Veterans to Report At St. Mary's Tomorrow

For hundreds of hero-worshipping youngsters, their pigskin-happy fathers, and a lot of their mothers, too, something new has been added to the natural beauties of the county.

It's the San Francisco 49er football team, which began training this week at St. Mary's College at Moraga.

Drills are being held daily at 9:30 a.m. and 3:30 p.m. Thirty-one rookies reported Saturday.

TWENTY-NINE VETERANS of National Football League competition are expected to report to Head Coach Frank Albert tomorrow.

With each club in the National Football League able to carry 35 players, at least six members of the 49er rookie crop will be assured of jobs on the regular roster.

OFFENSIVE INTERIOR linemen and defensive halfbacks are most neded by the club that tied Detroit for the Western Division lead at eight wins and four losses last year, then dropped the play-off game to the Lions.

Only one offensive guard—Lou Palatella—is in the fold. Bruce Bosley, three-year veteran from West Virginia, will probably not return. Ted Connolly, a four-year veteran from Santa Clara-Tulsa, has not yet agreed to contract terms.

The coaching staff has shifted former college tackles and fullbacks to offensive guard. Such transfers include Dennit Morris, 235, Oklahoma; John Wittenborn, 238, Southeast Missouri, and Ronnie Mushatt, 244, Grambling.

AS FAR AS the defensive secondary is concerned—wing backs and deep men—only three veterans will be coming in. They are Dicky Moegle, Bill Stits and Jim Ridlon. Hopefuls here include Abe Woodson, Illinois; Fred Dugan, Dayton; Ron Mills, West Texas; Ernie Lindo, College of Pacific; Tony Teresa, San Jose State; LeRoy Phelps, Oregon, and Bob Hoppe, Auburn.

Assistant Coach Howard (Red) Hickey, a pro football standby since he graduated from Arkansas in 1941, said that the 49er rookie crop "is the best group of physical specimens I've ever seen."

If size means anything, Red could be referring to:

George Troutman, 280, center tackle from Capitol University; Fred Preziosio, 261, guard-tackle, Purdue; Stuart Pell, 255, tackle, South Carolina; Bruce Hartman, 245, Luther, as well as Wittenborn and Mushatt.

Four rookies will not report until after the All-Star classic at Chicago August 15. They are:

Jim Pace, All-American halfback, Michigan; Charlie Krueger, All-America tackle, Texas A&M; Fred Dugan, All-American end and defensive halfack, Dayton, and Bill Atkins, offensive and defensive halfback from Auburn.

Abe Woodson, the 49ers' No. 2 draft choice in 1957, will work out with the rookies this week and then return to the Army at Fort Leonard, Mo. Woodson will not receive his discharge until the latter part of September.

The club will go through two-a-day workouts at St. Mary's until after the pre-season game with the Rams at Los Angeles on September 12. Then training quarters will shift to Redwood City, Calif.

Diablo Golfers At San Jose

Mrs. Henry Kusserow posted a low score of 86 when ladies of the Diablo Country Club played in a home-and-home match at San Jose. Other scores were:

Class A—Mrs. E. A. Ballman, 89-10-79; Mrs. Phil Kane, 96-17-79; Mrs. Lloyd Rossi, 90-10-80; Mrs. George Shank, 97-17-80.

Class B—Mrs. Ken Cannon, 95-20-75; Mrs. Nick Rizzo, 96-21-75; Mrs. Bailey Justice, 99-19-80.

Class C—Mrs. R. L. Pratt, 100-24-76; Mrs. Robert Wolf, 107-25-82; Mrs. Amadeo Pelussi, 110-26-84.

Class D—Mrs. Charles Cooper, 108-31-77; Mrs. Lewis Lercara, 110-29-81; Mrs. John Hudspeth, 111-29-82; Mrs. Justin Knowlton, 109-27-82.

Orinda Ladies Play Tourney

Women playing in the iron tournament at the Orinda Country Club posted the following scores:

CLASS A—Mrs. E. B. Stewart, 90-19-71; Mrs. P. A. Cooper, 88-14-74; Mrs. R. F. Hopkins, 93-19-74; Mrs. G. A. Somers, 89-15-74.

CLASS B—Mrs. A. H. Ayres, 99-23-76; Mrs. D. S. Carter, 98-22-76; Mrs. H. S. Worthington, 104-27-77.

CLASS B—Mrs. F. C. Borgnino, 102-31-71; Mrs. W. M. Carter, 104-32-72; Mrs. C. C. Cutting.

Clinic Planned At Golf Club

A golf clinic will be conducted at the Meadowbrook Golf Club, 2100 Reliez Valley rd. at Gregory lane in Pleasant Hill, starting August 6. Each Wednesday during the three one hour classes will be held at 9 a.m., 11 a.m. and 3 p.m. Instructions in all phases of golfing will be given by the professional, Larry Mancour.

Registrations may be made either in person or by calling YEllowstone 5-6363. Registrations will be restricted to the first 25 adults and the first 25 children over 13 yrs. of age.

The clinic is a joint venture of the Meadowbrook Golf Club and the Union Oil Dealers, sponsors of the 76 Sports Club.

Hardtop Highlights

By JEAN McGUIRE

Santa Rosa's Hugh Purdy took first place in the 25 lap main event at Contra Costa Speedway last Saturday night. This marks only the second time Purdy has copped the honors this season, although he is high in point standings.

Resident pilots were few and far between last week, with car trouble being the major reason for their very noticeable absence.

Pacheco's Tim Kelly and Hugh Payne of Concord brought their respective cars out to the track, but neither was able to even run qualifying times.

In the first heat, Roy Barron, in the Bud's Auto Repair Special number 51, took second place. Roy and his brother Lamar have taken turns driving this car the past two weeks. Lamar's usual ride number 8, has been out of commission.

The third heat found Russ Strock, number 10 of Concord, coming in fourth spot. Jack Huddleston of Concord was also in this event.

Pleasant Hill ace Jack Clayton, driving the crimson and white 88, took fourth place in the fourth heat.

Clayton, who qualified sixth fastest, put on a beautiful race, challenging the leaders of the pack even though his motor temperature was so high the car was spewing water on the track. Jack was also in the final heat and main event, but spinouts and minor mishaps kept him from finishing.

Would like to welcome a new driver to the speedway, Roland Rockwell number 62, from Alamo. Rockwell made himself right at home, putting a hole in the fence like a veteran during the semi main.

An interesting note . . . Petaluma's Leroy Geving, who completely lost the clutch on his car upon qualifying, had a new one by main event time. I wish every driver out there could have such a large, well equipped pit crew.

See you at the races. There will be the usual 25 lap main event with time trials at 7 and the first race at 8:30.

Deer Hunting Season Opens

Deer season opens Saturday, and reports from wardens and from archers, whose 10-day coastal season closed yesterday, indicate that prospects will be good.

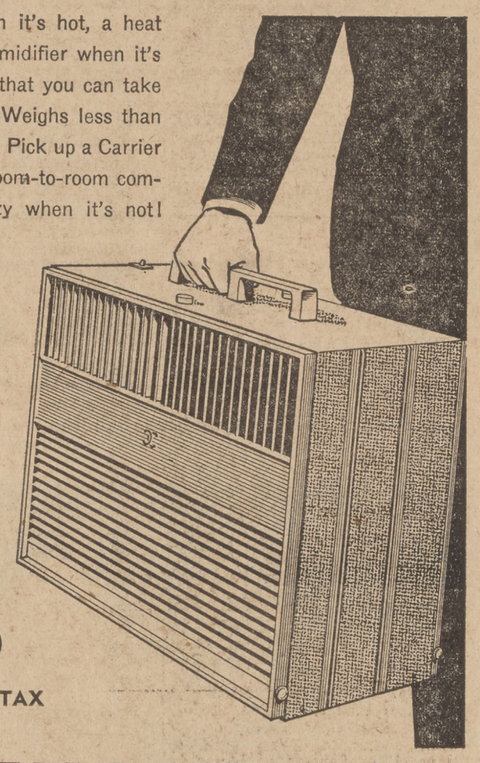
Near Lake Pillsbury, it was reported, archers took five bucks, and saw several more. Game wardens said deer appear to be in good condition and fairly plentiful in all counties opening tomorrow.

Patronize your local merchant, save money.

Be cool tonight!

Pick up a Carrier Portable Air Conditioner on your way home

It's a room air conditioner when it's hot, a heat pump when it's cool and a dehumidifier when it's damp! And it's so easy to carry that you can take it with you from room to room! Weighs less than 60 pounds. Operates on 7½ amps. Pick up a Carrier Portable and enjoy year-round room-to-room comfort—be cool when it's hot, cozy when it's not!



You don't spend a cent for installation!

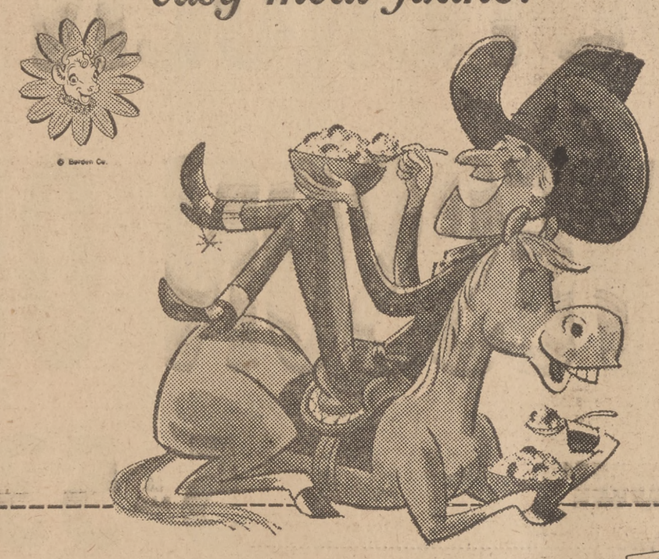
The West is Wild ...about Borden's easy-meal fixin's!



CUT ALONG DOTTED LINE, MA'AM!
Here are ideas so doggone Borden-good, so nourishing and summer-time easy you'll be usin' them often. Your friendly grocer has all the fixin's . . . nice and fresh, good and thrifty. Shop early for best values!

BORDEN'S COTTAGE CHEESE
Made this morning! Rushed trigger-fast to your grocer. Tender! Creamy-rich! Power-packed with protein. Freshest cottage cheese you ever piled into a salad, teamed with cold cuts, mixed with fruit. Only 15 calories in a tablespoonful. *Reach* for it, ma'am!

BORDEN'S MAYONNAISE
Country-fresh eggs in it! That makes Borden's better, creamier. *Fresh?* Borden's is made right here in our own western communities . . . sped lightnin'-fast to your grocer. Try this: Mix ½ cup of Borden's Mayonnaise with ½ cup spicy catsup and 1 teaspoon mustard. On hot dogs . . . *wahoo!*

BORDEN'S GLACIER FREEZE
Low-calorie, creamy-smooth ice milk dairy product made with Borden's honest-injun natural flavors. Use to dude-up fruit salads! Sensational dessert for folks desiring to stay slim.

BORDEN'S PROCESSED CHEESE SLICES
Real rich cheese flavor 'cause Borden's knows how. 8 handy-big slices in each package. Low priced. Your choice for easy sandwiches: American, Swiss, Pimento, Vera-Sharp, Chateau.

BORDEN'S BUTTERMILK
Ah-h-hhh! Real refreshin' and good for you. Real old-fashioned flavor. At your grocer's fresh every day.
For Buttermilk Sky: Blend 1 scoop Borden's Orange Sherbet into 1 cup Borden's Buttermilk. Yippee!

BORDEN'S BUTTERMILK BISCUITS
Light, fluffy, buttery good! Work's all done. Bake 'em in 10 minutes. Real country-kitchen flavor, ma'am. You'll love 'em for little shortcakes!

BORDEN'S RICH-ROAST INSTANT COFFEE
Makes terrific Iced Coffee. Has the hearty, rich-roast flavor of good strong coffee. None quite like it. Try it, ma'am!

HOW YOU CAN SAVE $600.00 PER YEAR ON YOUR FAMILY BUDGET!

More and more Contra Costa families every day are joining Bill Williamson's MINIMAX Wholesale Buying Service, and saving $600.00 per year or more by buying food, drug items, and appliances at true wholesale prices.

Almost all family foods are included in the MINIMAX Wholesale Buying Service—nationally-famous brands like Del Monte peaches, Campbell's soups, Best Foods mayonnaise, and most of the other top national brand names.

The most popular drug items like Bayer's Aspirin, Gillette razor blades, and top brands of toothpaste, hair spray, shampoo, lotions, and skin creams are also available through MINIMAX at wholesale prices.

The best-known names in refrigerators, ranges, automatic washers, and dishwashers are also available to MINIMAX members at a saving of as much as several hundred dollars on a big ticket appliance at wholesale prices.

The detailed savings your family can make through MINIMAX Wholesale Buying Service amount to $350.00 per year on foods, $100.00 a year on drug items and cosmetics, $100.00 a year on appliances, and $50.00 a year on mileage, or a total of $600.00 per year.

HOW A MINIMAX MEMBER SAVES $350.00 PER YEAR ON FOOD

Families who eat more than the base essential foods find their MINIMAX savings often run $10.00 per week, but Williamson prefers to use the more conservative figure of a $7.00 per week saving. Bill Williamson has a top reputation with the Better Business Bureau for integrity and ability in selling food for the past 23 years in the Walnut Creek area.

Using Williamson's low average saving of $7.00 per week on food at wholesale MINIMAX prices, this amounts to more than $350.00 per year on basic family foods like meats, vegetables, and other grocery items. Top brands of frozen, canned, and packaged meats, vegetables, fruits, and desserts like ice cream are available to MINIMAX members at genuine wholesale prices, plus small membership fees.

HOW A MINIMAX MEMBER SAVES $250.00 PER YEAR ON OTHER ITEMS

The MINIMAX Superette has top brands of drug items for members at wholesale prices—a saving of from 10% to 25%, and even as much as 50% on some famous brands. Williamson figures your total saving on drug items at wholesale prices is $100.00 per year.

On appliances he figures the average family invests $300.00 per year, and MINIMAX wholesale appliance prices saves a family ⅓ of this cost, or $100.00 per year.

Many housewives figure they save $50.00 a year on car mileage because they do not have to shop so often, and because MINIMAX delivers large purchases to the homes of MINIMAX Wholesale Buying Service members.

You can find out how your family can save $600.00 per year as a MINIMAX Wholesale Buying Service member by phoning YEllowstone 4-4478 day or night, or by stopping in at the MINIMAX packing plant at 1916 East Street, Walnut Creek, or by filling out and mailing the coupon below. ACT NOW and save $50.00 per month on family bills!

GET THESE FACTS ABOUT MINIMAX!
PHONE YE 4-4478 or come in today or mail coupon!

Morgan Finishes Insurance Course

J. Oliver Morgan, representative of the Oakland Agency of General American Life Insurance Company in Walnut Creek, has graduated from a nation-wide life insurance sales and marketing course sponsored by the Life Underwriter Training Council.

Board Seeks Way To Slash Record High County Cost

Contra Costa County supervisors are slashing mightily at department budget requests which total $40,393,737, some $8 millions higher than last fiscal year's total of $32,531,645, and they anticipate that some $5 millions will get the knife.

This would still leave a total budget of some $35 millions, and observers say that despite anticipated increased assessments of perhaps $34 millions, last year's tax of $2.17 per $100 may not do the job.

It is possible that the tax rate may go up 10 cents or more for the fiscal year, 1958-59.

LENGTHY HUDDLES are taking place between the supervisors and department heads, and the keynote has been, "Cut, cut, cut."

Even before the proposed $40 million budget reached the supervisors, County Administrator Desmond Teeter had reduced the department heads' requests by some $818,500, he said.

The supervisors voted to send the requests back to the departments, and to confer individually with the department heads.

They have already cut some $300,000 from Dr. George Degnan's original request of some $3,793,000 for County Hospital budget, and have deleted some $2,800,000 from Victor Sauer's original Public Works Department budget of $9,168,000.

THE PUBLIC Works cut will take about half of the funds for new roads and rebuilding of old roads, they noted.

Postponed until a later time was a proposed allocation of $147,000 for new hangars at Buchanan Field, and $136,000 for a new administration building at the field.

It was reported that all other building projects, except those already committed by contract or subject to federal or state matching funds clauses have been deleted.

Big items on the budget are storm repair projects and the county welfare program. The latter is controlled by state and federal law.

THE BUILDING maintenance request was reduced by $186,000, and the probation department by $30,000.

Interviews are pending for County Health Officer Dr. Henrik Blum and Sheriff Harry A. Brown, and Librarian Bertha Hellum.

Their preliminary requests are respectively, $1,170,132—$1,133,731—$651,772.

The "final" proposed budget will be prepared by Teeter and County Auditor Howard McNamer.

It will be reviewed in public hearings this month.

YELLOWLIGHT

If you're bothered by night insects try using the yellow enameled bulbs for outdoor lighting. These new bulbs are ideal for porches, over picnic tables, doorways and gardens, where you want to discourage night-flying insects.

Lt. Dahl Rated Among Army's Best Shooters

First Lt. Winston Dahl of Walnut Creek is one of the best pistol shots in the entire United States Army.

He and three other members of the Advanced Marksmanship Unit, have broken the "2600 barrier," which Army men say ". . . is to shooting what a .350 batting average is to baseball."

The unit is favored to win the National Trophy and Team Rifle and Pistol Matches at the annual world series of shooting at Camp Perry, Ohio, starting next Thursday.

The competition at Camp Perry will last 32 days, and will include rifle and pistol competition.

There will be about 5000 top-notch marksmen entered.

NAVY WEEKEND Warriors of Anti-Submarine Squadron VS-873 are currently taking their annual 14-day cruise at North Island, San Diego. Briefing before mission are W. T. Worden, Lt. Cmdr., 125 Lucinda Lane, Walnut Creek, and R. L. Kohler, Lt. Cmdr., 3361 Lucille Lane, Lafayette. —Navy photo

Issuance of New Stamps To Start at Post Office

Postmaster J. F. DeRosa said today he expects plenty of stamps and postal cards to be on hand for sale today, to meet new postage rates which become effective.

DeRosa explained the Post Office Department has been issuing new stamps, stamped envelopes and postal cards to post offices for several weeks in anticipation of the new rate changes.

Large additional supplies of the regular 4 cent stamp, bearing the likeness of Abraham Lincoln, are being received here to meet the new first-class letter rate of 4 cents an ounce. In addition, issues of special stamps and commemorative stamps will be available at the local post office in 4 cent denominations.

A new "Champion of Liberty" stamp, honoring Simon Bolivar, the late great South American liberator, will be on sale at the local post office today in 4 cent and 8 cent denominations. (The 8 cent stamp is used in international mail.)

Adequate supplies also are expected in other stamps, cards and envelopes, including new 7 cent air mail stamps, replacing the 6 cent air mail stamps; 3 cent postal cards replacinug the 2 cent cards; 5 cent air mail postal cards replacing the 4 cent air mail postal cards; and 4 cent and 7 cent stamped envelopes to be used in place of 3 cent and 6 cent stamped envelopes.

"Picture" post cards will require 3 cent stamps for surface transportation and 5 cent stamps for air transportation. Ample supplies of 3 cent and 5 cent stamps are expected to meet anticipated demand for these stamps.

Old supplies of 3 and 6 cent stamps, 2 and 4 cent postal cards and 3 and 6 envelopes may be used after today, by adding an ordinary penny stamp to these, DeRosa said.

Nearly Everyone Reads The Sun

Federal Funds Granted Schools

Congressman John F. Baldwin announced today that he has been informed by the Commissioner of Education of the United States that favorable action has been taken on the application of the San Ramon Valley Union High School District, Danville, for Federal assistance for current expenditures.

Mother of Four Sues for Divorce

A suit for divorce against her husband, Robert, has been filed in Superior Court by Margaret L. Newell, 1890 Helen Road, Pleasant Hill.

She asked for $500 monthly alimony and $500 monthly for the support of four children, 11, 9, 7, and 2 years old. She asked for custody of the children, real estate and community property.

ATTENTION! ALL BOATING ENTHUSIASTS

The Martinez Boat Club and the Martinez Chamber of Commerce are conducting a survey to find out if there is wide-spread interest in a Yacht Harbor in Martinez. We are thinking in terms of a harbor to accommodate 1,000 boats, together with full recreational facilities.

We feel there is a need for such a Marina and you can help us find out by filling out the attached card and mailing IMMEDIATELY . . . NO OBLIGATION. Here's to better boating and recreational facilities for all of us . . . Thank you.

Supervisors Approve Plan Commission Road Proposal

The board of supervisors recently approved the recomendations of the county planning commission for the abandonment of the Sacramento Northern route between Lafayette and Walnut Creek, and it appears evident that soon it will become a new road linking the two communities.

According to Paul Kilkenny of the county works department, legal technicalities relative to acquisition of rights of way will delay construction of the road.

THE ROUTE IS designed to provide an alternative road from Lafayette to Walnut Creek without traveling on Mt. Diablo Boulevard or without following the round-about route via Newell Avenue, Beachwood Drive and Moraga Highway.

The plan is to build a direct route between the two communities from Fourth Street in Lafayette to the present T intersection at California and Broadway in Walnut Creek.

Both the Central Contra Costa Sanitary District and the East Bay Municipal Utility District are interested in acquiring permission to use the route for sewage and lines.

HOWEVER, the public works department feels that all three projects can be carried on without interfering with each other.

"We probably won't get started on the construction this year," Kilkenny said, "because it will take time to clear up the legal situation. Because the property rights-of-way have been held up by the Sacramento Northern Railroad for such a long time, the situation is more confused than normal.

Frank Hanrahan Seeks Divorce

Frank Hanrahan, 297 Kathleen Drive, has filed suit in superior court to divorce his wife, Georgia.

Charging his wife with "extreme cruelty," Hanrahan asks that he be awarded a reasonable share of the properties belonging to them. The couple were married in Boston in 1948 and separated June 30, according to the complaint.

Hanrahan was recently elected to the board of the Contra Costa County Water District on a write-in ballot.

He is an engineer with the County Public Works Department.

In the June 3 primaries he was also elected to the County Democratic Central Committee from the Third Sunervisorial District.

The Hanrahans have three children, Richard, 9, Stephen, 6 and Lisa, 6 months.

YELLOWTAIL MIGRATION

Returns from a yellowtail study during which 15,161 fish were tagged point toward the conclusion that successful yellowtail fishing in California waters depends largely or almost entirely on migration of fish from northern and central Baja California.

SUNLAMP USE — A sunlamp over the bathroom mirror will keep the man of the house tan all year 'round. The lamp should be used at recommended distances and for specified periods of time.

Women's Sandals & Flats
Assorted styles and colors. Manufacturer's closeout!

Acalanes Valley Notes

BY ROSE HAWKINS
AT 3-2931

Ed and Nancy Quenzel returned June 27 from 10 days in Southern California Disneyland, Marineland and Knott's Berry Farm were highlights of their travels with the children, as was the San Diego Zoo.

Linda would not let them go home without a trip across the Mexican border, so they followed a nicely paved road from Tijuana down the coast to Ensenada. The clean sandy beaches were quite a sight, as were the natives. The Quenzels hope to return after they learn conversational Spanish.

THE PARKER FAMILY managed to arrive by train in Portland in the middle of a June heat wave. Doug was at Mt. Hermon, but Dennis and Martha accompanied Al and Helen. Al rented a car to check dam sites in the area.

A most interesting feature were the fish ladders and ship locks. After leaving the Bonneville Dam they drove to Yakima, Wash., having five days in all.

Chuck Pace of Valente Court is very proud of his sister, Dr. Geraldine Pace, who is the recipient of a scholarship for a year's attendance at the University of Edinburgh, Scotland, on a research project.

After visiting her brother for a few days in June, Dr. Pace left for a visit to their family home in Oakdale, from which she proceeded to Scotland. This past weekend found Chuck, Norice, and Jerry, Frank and Carol visiting his brother in Sacramento.

FRED AND BONNIE KLINKNER had a very exciting week in New York with the children at home, for their first week's vacation. Then they picked up the children and took the "skunk" train out of Willits for a fine camping trip in the backwoods.

Bill and Anne Chilcote can't seem to settle down in Acalanes Valley for long. They had a very busy time at U. C. Alumnus' family camp, Lair of the Bear near Pinecrest, with Leeanne, Diane and Patty.

THE FISHING there was terrific for the kids. They hadn't had one day to settle down, but that Anne had to begin her week with Mrs. Peppin of Valente Court as a camp leader at Brownie Day Camp at the end of Springhill Road.

Every day they loaded their cars with the Brownies of Troop 20, including Carol Peppin, Patty Chilcote and Norma Hawkins, and had a full day of camp activities. The Chilcote family had another week's vacation July 13th camping near Sierra City and Downieville.

They explored much of the back country on steep roads not much better than jeep trails and found the buildings have lost none of their 49er days character.

BOB AND BEBE MARSH managed to get away to visit old friends in Williams over the Fourth. The next weekend they got away to Bijou at Lake Tahoe where Bebe enjoyed the beach with Pamela and Robin while Bob slaved helping his brother install a septic tank in his cabin.

Idar and Maria Gogstad spent their vacation at home enjoying frequent trips with Elaine and David to the new community pool near Acalanes High which they have joined. Idar's nephew Kenny has been their houseguest these past few weeks.

IT WAS PATIO square dancing for the Acalanes Valley Quadranglers in June. George and Dorothy Pence were the gracious hosts June 13. Dancing to the calls of Rick Benofsky were Idar and Maria Gogstad, Marge and Dick Frock, Chuck and Norice Pace, Anne and Bill Chilcote, Lois Cuningham, Martin Lewis, Norm Hawkins, Barbara Benofsky.

Chuck and Norice Pace were hosts June 27 to the group on their patio. Present were Martin and Betty Lewis, Rick and Barbara Benofsky, Anne and Bill Chilcote, George and Dorothy Pence, and Marge and Dick Frock.

Everett "Swede" and Joyce Nelson are new residents of Legion Court since June 15. Before a year and a half's residence in San Francisco they had previously resided for some time in Washington, D. C. They have a daughter Ellen, 6, and a son Craig, 3.

Norm and Rose Hawkins will have separate vacations this year. Norm settled her down in a camp for a week at Napa Valley Ranch Club near Lake Berryessa. Over the Fourth Norm was able to stay and boat and fish, but had to leave Sunday night. The week went fast for John, Norma and Laura with so many activities and Norm was again back Friday evening. Saturday morning David and Emily Hobbs and Davey camped there also until Sunday. Emily Hobbs proved the champion trolling fisherman of the bunch.

Rosicrucians Planning Picnic

The Oakland Lodge of AMORC Rosicrucians will hold the annual picnic Sunday at Trail's End Picnic Area, Redwood Regional Park.

All members are invited and will bring own food and table service.

The regular weekly convocation of Oakland Lodge of AMORC Rosicrucians will be held at 263 12th Street, Wednesday at 8 p.m.

Master Floyd C. Stanley will deliver the discourse titled "Reflection," by Ettore DaFano, deputy Master of Akhnaton Lodge, Pasadena.

NOTICE TO CONTRACTORS

Sealed Proposals will be received by the Clerk of the Board of Supervisors of the County of Contra Costa, State of California, until 11:00 a.m. on August 5, 1958, for:

"REPAIR OF STORM DAMAGE ON NORMANDY LANE AND LA ESPIRAL, ORINDA"

The work will be done in accordance with official plans and specifications prepared in reference thereto, which may be seen at the office of the Contra Costa County Public Works Department.

Plans, Secifications (but not including State Specifications or other documents included by reference), and Proposal forms may be obtained by prospective bidders upon payment of a printing and service charge in the amount of Four and 00/100 Dollars ($4.00), which amount shall not be refundable. All checks shall be made payable to "Robert H. Kinney, County Treasurer," but should be mailed to Public Works Department, P. O. Box 509, Martinez.

Bids are required for the entire work described herein, and neither partial bids nor contingent bids will be considered.

Each Proposal must be accompanied by a Proposal Guaranty in the amount of Three Thousand Five Hundred Dollars ($3,500.00).

ENGINEER'S ESTIMATE

1. Furnishing and Applying Water	220	Thousand Gallons
2. Roadway Excavation	8,120	Cubic Yards
3. Imported Material	5,300	Tons
4. Untreated Base	450	Tons
5. Plant-Mixed Surfacing	90	Tons
6. Plant-Mixed Dike	510	Linear Feet
7. Type "C" Inlet	30	Linear Feet
8. Type "A" Head Wall (Single Section)	1	Each
9. Concrete Lined Ditch (Type "A")	890	Linear Feet
10. 18-Inch Corrugated Metal Pipe (16 Gage)	136	Linear Feet

— Foremen, when employed, shall receive $3.475 per hour Eight (8) hours shall constitute a day's work unless otherwise specified.

The attention of bidders is directed to the provisions of the Specifications regarding Legal Relations and Responsibility.

Attention is directed to the correlation of the Specifications with the Standard Specfications of the State of California, Department of Public Works, Division of Highways, dated August, 1954, as to materials, methods, and workmanship.

— The Contractor shall perform with his own organization and workmen under his immediate superintendence, work of a value of not less than fifty percent (50%) of the value of all work embraced in the contract as required by the Specifications for this project.

The Contractor, whose bid is accepted, shall furnish the following bonds to the County (at no expense to the County) executed by a responsible surety acceptable to the County in the prescribed form:

(a) Faithful Performance Bond
(b) Labor and Materials Bond

Each of the above shall be in an amount equal to one-half (50%) of the total amount bid by the Contractor in his Proposal.

All bids must be submitted on a Proposal form, obtainable from the County Public Works Department, and shall be accompanied by a Proposal Guaranty in the amount of Three Thousand Five Hundred Dollars ($3,500.00). Guaranties shall be in the form of certified check, or cashier's check, as provided in the section of the Specifications referring to Proposal Requirements. Bidder's Bonds will not be accepted. Failure of the successful bidder to execute and return the contract, or to file acceptable bond, as required, within the time allotted shall be cause for the annulment of the award and the forfeiture of the Proposal Guaranty. All guaranties not so retained by the County shall be returned to the bidders within fifteen (15) days after the award of the Contract.

The Contractor shall commence work within fifteen (15) days after approval of the Contract by the County.

The Board of Supervisors of the County of Contra Costa reserves the right to reject any or all bids.

Requests for forms, or information shall be addressed to the Office of the Public Works Department, Post Office Box 509, Room 235, Hall of Records, Martinez, California.

Proposals shall be filed with Walter T. Paasch, Clerk of the Board of Supervisors, Hall of Records, Martinez, California.

Said Proposals will be opened and read by the Clerk of the Board of Supervisors at 11:00 a.m., on the day specified above for receiving bids, or as soon thereafter as the matter may be heard. The clerk will read only the total amount bid and not specific items going to make up said total, unless written request for the reading of such subtotals and individual items of the bid is received at the time of the submission of Proposals. Bidders will be at liberty to inspect and review bids in the Office of the Public Works Director, to which they will be removed for the purpose of checking, after the opening and reading of the totals by the Clerk of the Board of Supervisors.

By order of the Board dated this 15th day of July, 1958.

W. T. PAASCH,
COUNTY CLERK and ex-officio CLERK OF THE BOARD OF SUPERVISORS, County of Contra COSTA, STATE of California, By M. A. Smith, Deputy Clerk
0979 Orinda Sun, July 25, Aug. 1, 1958.

Scholarship Gift Helps Students From PH Schools

A gift of $2500 has been made to Reed College for the establishment of a loan fund in memory of Steven Mark Lewis who, before his death, had planned to attend the Portland, Ore. college.

The funds were contributed by Steven's parents, Harlan H. and Deborah Lewis of Pleasant Hill, and by his many friends. The gift is to be used to provide loans to students of Reed College who need financial assistance in order to attend the college.

Graduates of Pleasant Hill High School and of schools in Contra Costa County will be given preference as loan recipients. Until 1962 the loan is to be restricted to applicants from this area. Thereafter, if no qualified students apply from this area, loans may be made to other deserving students.

Steven Mark Lewis, who would have graduated from high school in June, 1958, died last January from injuries suffered in an automobile accident. His father is guidance consultant for the Contra Costa County schools.

When you shop at home you boost your own community. And the place you live is pretty important to your family. Besides, it costs less. Try it!

LEGAL NOTICE

CONTRA COSTA COUNTY PLANNING DEPARTMENT
County Administration Building
Martinez, California

Letters to The Editor

VIVISECTION

DEAR EDITOR:

Yes, I would meet the test you described in your recent article, and so would millions of anti-vivisectionists like me.

Our lives are dedicated to the protection from pain and terror of all animals. We are not looking for, nor are we expecting any plaudits.

We want protection for animals whether in the home, on the roads, or in the laboratories.

We are firmly against the dissecting of pets on the highways, in lumber yards or factories, in the hills, or anywhere else.

Animals would never do to man what man does to animals. You should know, and you should publish that it is a misdemeanor (?) to do these things and not be on the fence, so to speak.

Look into these things and speak with authority. That is what the newspapers are for. The same laws on "hit-run" and discarding applies if it is an animal or a human.

Any seeing these things happen should quickly get the correct license number and turn it over to the police or some agency big and humane enough to prosecute . . .

MRS. RALPH HANVILLE

Shirley Matson To Attend Davis

Shirley Matson, daughter of Mr. and Mrs. Earl M. Matson, 1135 Camino Vallecito, Lafayette, will be attending Davis this fall where she will major in home economics.

She is vacationing in Malibu, Canada, for a month prior to the opening of school.

A. J. Heald is B of A Branch Board Chairman

A. J. Heald of 2493 Warren Road, Walnut Creek, member of the advisory board for Bank of America's San Pablo Avenue branch in Oakland since he retired as manager six years ago, has been appointed chairman of the board.

The announcement was made today by G. F. Ernst, San Pablo Avenue branch manager, who said the board, one of a number throughout California, is made up of leading citizens of the area who advise the branch's officers on matters of economic and community interest.

Heald entered banking in 1906 in McPherson, Kansas, served with a Richmond, California, bank from 1911 to 1918 and then joined the American - Oriental Banking Corporation in Shanghai, China as cashier.

In 1922 he organized, opened and managed the American-Oriental Bank in Chungking, China. The following year he organized and opened the National Bank of Martinez in Martinez, serving as cashier until 1927 when the bank became a part of the Bank of America organization and his appointment to manager.

He headed the San Pablo Avenue branch from 1933 until his retirement in April, 1952.

Mrs. Dean Sells Goat Herd; Plans Sierra Move

Mrs. Margaret Dean announced this week that she has sold her goat herd of Oakdene Dairy, located on Shady Lane Road, to August Hoefert.

The herd of 150 goats is part of an institution which has been in Walnut Creek since 1930. Mrs. Dean's goats used to roam the hills of Walnut Heights at will, before the rush of new residents came.

The goats will be taken by the Hoeferts to new pastures at Rippon, near Matneca. The land which the goats have been using will be sold for subdivision development.

Mrs. Dean said she will remain in Walnut Creek until Fall, and hopes to move to the Sierras. She was born in New Zealand, and survived childhood because of goat's milk. Cow's milk did not agree with her, she said.

Her family moved to Walnut Creek in 1915.

Eda Lippi—YE 4-8790

Once and for all we wish to discount the rumor that our Hyacinth Moorehead was seen displaying a symbol of allegiance to the Don Sherwood faction in the imbroglio which temporarily sundered him from the airwaves and shook the Navajo tribes to their teepees.

In that noisy fracas we were strictly neutral — but still Hyacinth WAS seen orbiting about town in moccasins! . . . So how come? The diabolical cussedness of inanimate objects—that's how come!

It was a seven pound bronze vase which with malicious cunning eluded her grasp and — with unerring —landed with great force upon a most vulnerable spot, her little toe. Needless to say, the vase won the decision, and our WC Greeter was compelled to welcome newcomers with either feet naked and exposed to the world or in moccasins. She chose moccasins . . . Naturally, permitting all of our nice newcomers to go unwelcomed over a prolonged period was an alternative not even considered!

WE WOULD LIKE to extend the warmest of welcomes to new residents from Paraguay, the J. C. Andersons and their four children.

Somehow one always expects South Americans to have Spanish —or, in case of Brazilians, Portuguese—names.

This is, of course, as silly as expecting all Americans to have names of British origin. People of many national and racial backgrounds have migrated to South America over the centuries, just as they have to North America. The charming Mrs. Anderson has a French father, and, judging from his name, her husband must have had Scandinavian or British forebears.

Dr. Anderson is interning at the Kaiser Hospital in San Francisco. The family has been living in Pensacola several years while he has been studying medicine. Mrs. Anderson says her husband speaks good Engilsh as a result of attending school in this country and the children learned theirs from school and playmates, but that she just picked hers up from listening to the rest of them.

Be that as it may, her brand of our language is not only completely understandable but delightfully musical.

THE PERMANENTE Foundation is also responsible for another family coming to the Bay Area. The Ed Bells, who formerly lived in Studio City (which is in the LA area, of course) have moved into a home they recently purchased in south WC. Mr. Bell is the public relations director for the Kaiser Hospital in Oakland.

We shall nobly resis all temptation to pun re the toll of the Bells and forthrightly state that they have three boys, including a pair of twins.

Dr. and Mrs. Marvin Deisz and their four children have come to this area from Akron, Ohio. Dr. Deisz is doing research for Shell Development in Emeryville.

Unfortunately all of the small fry—including the youngest, a handsome lad of seven weeks—had a go-round with virus infections just after they moved in. We hope all are well again, and that Mrs. Deisz has had a chance to rest. She was a busy girl there for a while!

Another newcomer to whom we wish a speedy recovery and future good health is Mrs. J. B. Biggers. Mr. and Mrs. Biggers recently bought a home in PH, but when Greeter Joyce Barnum called to welcome them, Mrs. Biggers was in the hospital seriously ill.

The Biggers family, which includes a teen-age daughter and a young son, came from the east less than a year ago. They had lived in Orinda before moving to PH.

Mr. Biggers is plant superintendent for an Alameda firm.

ALSO IN CALIFORNIA less than a year are the L. Rodbergs who came from Baltimore. They were in Lafayette for a time but are now PHers. Mrs. Rodberg is kept busy with a seven-month-old son while her husband is doing research at UC.

An unusual family is that of Mr. and Mrs. R. D. Wilson who are PH residents who formerly lived in Richmond. Mr. Wilson is in the insurance business.

The Wilsons have three small children aged from four years down to six months—and if they aren't the best behaved tads in all of Contra Costa we will be much surprised . . . Their mother is a Richmond policewoman!

AN ATTRACTIVE young couple, Mr. and Mrs. R. B. Curtis are happily getting settled in their home in El Verano. They are both from the east coast, but were in Burlingame for a time—and in Lafayette while househunting—before coming here.

Mr. Curtis is an engineer with the Atomic Energy Commission and shuttles back and forth between Berkeley and Livermore which makes WC a handy location. Fortunately they are much enamored of our town (and who could be otherwise!) so are pleased with the whole set-up.

Mr. Curtis has just completed a stint in the navy.

When you shop at home you boost your own community. And the place you live is pretty important to your family. Besides, it costs less. Try it!

Local Officers Finish General Staff Course

Two central county men were graduated June 28 from the U.S. Army Reserve School Associate Command and General Staff Course, held at Ft. Leavenworth, Kansas.

They are Colonel Harry A. Ballf of 108 Springside Road, Walnut Creek, and Lt. Colonel J. Sheldon Martin of 3977 North Peardale Road, Lafayette.

The purpose of the course, said Army spokesmen, is to qualify Reserve officers for duty with the general staffs of combat divisions or logistical commands and to familiarize them with the duties of the general staff at Corps, Army, and communications zone level.

Seniors Citizens Note Birthdays

The July birthdays of members of the Senior Citizens of Walnut Creek were honored at a birthday dessert at the Walnut Creek Recreation Center, yesterday noon.

Mrs. Elaine Clark of the Recreation Department and hostess for the Senior Citizens, said several members received birthday honors. They are Dora Bayard, Niels Peterson, Maren Wilson, Pearl Lawrence, Thomas Tyschsen and Sam Wieber.

When you shop at home you save gas, tires, nerves, and time. Try it!

James Jotter Joins Capwell Top Echelon

James P. Jotter, 30, of Oakland, has been named the new merchandise manager of the Walnut Creek Capwell Store in the Broadway Shopping Center, it was announced.

General Manager John Tague said that Mr. Jotter will replace Jim Williams, who has been transferred to the Oakland Capwell Store.

Mr. Jotter is a graduate of Berkeley High School, and the University of California, Berkeley. He is a second lieutenant in the U. S. Army Reserve.
